COUNTY COMMUNITY COLLEGE

Get Your Start at Suffolk There are so many reasons why Suffolk County Community College is an ideal place to pursue your education. We provide affordable, quality higher education, delivered in small class settings, led by faculty with credentials from many of the country's most acclaimed institutions.

An Exceptional Education From enhancing the probability of success for students who need extra support, to creating an academically challenging environment for the hundreds of students in our Honors Program, to working closely with area businesses to meet their current and projected workforce demands, Suffolk is dedicated to meeting the needs of our students and valued communities.

A Complete College Experience As the largest community college in the State University of New York (SUNY) system, you can count on Suffolk for a full collegiate experience. With recognized athletic programs, more than 150 student clubs, organizations and support services, you will have countless opportunities to grow both academically and personally.

Transferability Suffolk County Community College prepares students for transfer to four-year colleges and universities. We are proud to say that our students routinely transition to a variety of baccalaureate programs at public and private colleges and universities on Long Island, around New York State, and throughout the nation.

In fact, our graduates often save tens of thousands of dollars while going on to excel at some of the nation's most recognized institutions.

Financial Aid We are committed to providing our students with assistance to explore all available funding options. Each year, Suffolk awards more than $60 million in federal and state financial aid to more than 16,000 students.

Scholarships Suffolk also offers a broad range of scholarships for new, continuing and graduating students. In fact, the Suffolk Community College Foundation awards hundreds of thousands of dollars in scholarships each year.
