Suffolk
COUNTY COMMUNITY COLLEGE

Convention Center
Wireless Network Registration

The wireless network in the SCCC Convention Center operates on the 802.11b/g wireless standard. The network id is: **wevents** We require that vendors using this system provide their own wireless connectivity that is 802.11b/g compliant. If your device is not wireless, you can purchase a USB wireless adapter or a wireless bridge.

Convention Center
Network Utilization Policy Agreement

1. Any distribution or sharing of broadband services (wired or wireless) with any other vendor is strictly prohibited. It is up to the owner of the broadband equipment to ensure that their devices are secure from other vendor access.

2. Any setup, installation and/or use of any ad-hoc wired or wireless services to construct a private network must be approved by the College prior to any use. Should one of these networks be permitted, steps must be taken to guarantee secure, threat-free, non- interfering service(s) with the College's network.

3. Show sponsors assume full responsibility on the part of the vendor and therefore must present vendors with applicable College restrictions to prevent any incidents that interfere with the function of the College's network and its services.

4. When using College facilities, wireless devices must be fully patched, have security enabled and running current virus protection software. Any interference with the College's network, including bandwidth intensive applications, bandwidth sharing software, network discovery, sniffing, or probing, or the introduction of virus, worms, spam or Trojans by any device will void the right to use the wireless network.

5. The College accepts no responsibility for devices connecting to our wireless networks.

6. Vendors may use separate broadband services (i.e. Sprint, Verizon) for their individual use but these services shall be limited and confined to their booth space.

7. Pricing is $125 per connection, per event. If paying the SCCC Convention Center directly, payment must be in the form of a check made out to:

   "**Suffolk County Community College**."

   Please send check to:
   SCCC Sports & Exhibition Complex
   Grant Campus - Room C107
   1001 Crooked Hill Road
   Brentwood, NY 11717

By signing the front of this form, you agree to abide by the Network Utilization Policy Agreement. Please fax completed form to Special Events @ 631-851-6910. If you have any questions or concerns, please call 631-851-6900.
