YOUR SUCCESS STARTS AT SUFFOLK

At Suffolk County Community College, you will find affordable, quality higher education delivered in small class settings, led by faculty with credentials from many of the country's most acclaimed colleges and universities. Here, we believe education is critical for building strong families, vibrant communities and a skilled workforce.

Suffolk is one of the 64 colleges and universities that make up the State University of New York (SUNY) system. With an enrollment of approximately 27,000 students, we are the largest community college in New York State. As a premier, learning-centered institution, we offer more than 100 degree and certificate programs.

Our students are among the best and brightest in the region. Many of them choose to earn an associate degree here and then transfer with full credit to a highly rated four-year college or university to pursue a bachelor's degree. By spending the first two years of their higher education experience at Suffolk, they receive a quality education while saving tens of thousands of dollars. Our students also excel outside the classroom as leaders in over 90 student organizations and clubs or on one of our NJCAA Division III or intramural sports teams.

I am pleased to share with you that the College is an exceptional higher education resource. Suffolk's faculty, staff, and administrators are dedicated to fostering an environment that helps students attain their academic goals, while embracing the philosophy of lifelong learning. Ultimately, this approach provides our students with an advantage as they enter the workforce.

Whether you are starting your college experience, seeking to advance in your current position, or have made the decision to transition into another career, Suffolk County Community College provides the very best programs, instruction and student support services. There is no doubt that we are the best, most affordable choice for you as you pursue your educational goals.

Sincerely,

Dr. Shaun L. McKay

President

CONTINUING EDUCATION REGISTRATION INFORMATION

1. Please print clearly, except for signature.
2. List the course number, CRN, and title of the course for which you are registering.
3. Sign the Declaration of Residence. If the statement does not apply to you, contact the Cashier's Office at: Eastern Campus - 631-548-2545 • Ammerman Campus - 631-451-4086 • Michael J. Grant Campus - 631-851-6730
4. You must include a check or money order, made payable to Suffolk County Community College, for the tuition payment. Cash will not be accepted.
5. Submit the completed registration form and payment by mail or in person to the Registrar's Office at the campus to which you are applying for a course.
6. If you wish to register and pay online, please visit the College website at sunysuffolk.edu. New students must follow the new, non-degree student application procedure before registering. Use this form only if you have never attended or applied to SCCC, and you wish to take continuing education classes without being admitted to a degree program. Please allow one business day for this application to be processed prior to registering. Entering your email address will result in immediate confirmation of your application once you submit it. Prior applicants can register immediately online.
7. Please note the room assigned ON YOUR SCHEDULE as it may be different than that which is listed in this brochure.

CLASS CANCELLATION AND REFUND POLICY

If a course should be canceled due to insufficient enrollment, you will be notified by the Registrar's Office and you will have a check issued as promptly as possible. Full tuition refunds will be automatically issued to students who officially withdraw/drop up to one (1) day prior to the first class meeting. For all courses that meet more than once but are shorter than the full semester, an official withdrawal prior to the second class meeting will result in a 50% refund of tuition. Please visit sunysuffolk.edu/ContinuingEd for additional information.

ADMITTANCE TO CLASS

Since all courses are enrolled on a first-come, first-served basis, we encourage you to apply early. Students will be mailed a receipt within two weeks of registration. If you do not receive this, please call the Registrar's Office at the campus for which you are registering. You do not need a special card or receipt to be admitted to class. Instructors are provided with class lists with the names of those officially registered. You will not be admitted to class unless your name is on a class list and you have paid your tuition and applicable fees. Once again, please make note of the room in which your class is meeting, as noted ON YOUR SCHEDULE. That is the room to which you should report for class. It may be different than that which is noted in the brochure.

RETURNED CHECK CHARGE

A fee of \$30.00 will be charged for any check that is returned to the College for any reason.

NOTE: THE COLLEGE RESERVES THE RIGHT TO CANCEL ANY COURSE, TO MAKE CHANGES IN FEES OR SUBSTITUTIONS IN FACULTY AND TO CHANGE DAYS OR HOURS WHEN NECESSARY. EVERY EFFORT IS MADE TO PROVIDE NECESSARY, CORRECTED INFORMATION TO THE STUDENTS AS SOON AS POSSIBLE.

Cloud 9 Written by Caryl Churchill
This time-shifting comedy is both parody and spoof of the Victorian Empire and its rigid attitudes, especially toward sex. It's a marvelous send-up and a non-stop round-robin of sexual liaisons, while the natives are restless in the background. Twenty-five years later...

XFT131 RESTORATIVE YOGA FOR SURVIVORS AND THEIR CARETAKERS*

Tuition \$35.00

Restorative Flow Yoga is a gentle yoga that makes the practice of yoga accessible to all levels of experience. A practice that leads the practitioner toward a more healing and recuperative experience, ushers in a host of wonderful benefits that are often overshadowed by the popularity and visibility of more dynamic yoga styles. A restorative practice frequently relies on the use of bolsters, props, and the prolonged holding of a few simple poses to achieve a deep level of relaxation. Breathe work is incorporated to assist with deep healing. Cancer Care Yoga and Breast Cancer Yoga are specialized yoga practices to aid those with cancer going through treatment as well as post treatment. We welcome their (your) caretakers to get much needed time to rest, relax, and restore. Participants must bring a towel and a bottle of water to class. FARMING AND GARDENING

XHO123 FUNDING FOOD

FINDING MONEY TO SUPPORT YOUR VISION

Tuition \$45.00

Various funding entities can provide monetary support and other resources to bring your vision to life, whether it be community gardens to farms. From federal programs within the Farm Bill to state-specific options, a range of grants exists to support small, beginning farm ventures, as well as mini-grants that include everything from community gardens to school gardens. The key to a successful grant application is the same as a business plan: researching and writing out a strategic blueprint for your vision and the steps to successfully get there. This course will explore several of the options available for grant funding through local, state, and national platforms, in addition to instruction on writing a sample proposal. This course is meant for grants related to the Farm Bill. It will give you the skill set to explore grant writing. (1 meeting)

XHO122 POWER TO THE POLLINATORS!

Tuition \$45.00

Introduce yourself to Long Island's pollinators including bumble bees, leafcutter bees, mason bees, squash bees, and even flies! There are close to 450 different bee species in New York State – these are the superheroes of our gardens and farms. Wild bees are 2-3 times more effective at pollinating than honeybees. Honeybees supplement the work of wild bees, not the other way around. Join our veteran beekeeper to discuss why and specifically which gentle pollinators will be most advantageous for higher yields and larger, more well-rounded produce. Specific actions you can take to put more food on your table and support bee populations (e.g., flowers to plant, types of habitat to provide, and advanced bee ranching efforts) will be discussed. You will be provided with a bee bundle kit for the course. (1 meeting)

XHO125 SOIL HEALTH AND BIOLOGICALS FOR PLANT GROWTH, DISEASE AND PEST MANAGEMENT

Tuition \$45.00

Probiotics aren't just for people anymore. In their natural environments, plants, trees, and turf grow in microbial rich environments. They are very dependent on their natural biology for nutrients and disease suppression, among other things. Advances with biologicals for disease and pest control have also dramatically changed organics and Integrated Pest Management (IPM) growing programs with new “silver bullet” products that kill the pest, not the rest. Although we supplement nutrients (fertilizers) in our farming practices, it is not a common practice to supplement the vital probiotics in the same manner. This course section will discuss why microbes are so important to soil health and how to integrate these natural probiotics to improve the quality, health, and growth of your plants. (1 meeting)
