The College issues electronic refunds through BankMobile regardless of how you paid your bill. Refunds are processed after the final add/drop date for each semester.

Course Withdrawal

During the official add/drop period (approximately three weeks from the start of classes), you can drop a course on the Web at MySCCC or by completing a DROP form. To withdraw from courses for any reason, a student must officially notify the College by completing a Withdrawal form. Both forms are available at the campus Registrar Office or on the College Website (www.sunysuffolk.edu). **Non-attendance in a course, verbal communication with College offices or instructors, or stopping payment on a check is not considered official notification of withdrawal.**

Your Liability to the College

By registering for classes, you have incurred a liability to the College for related tuition and fees. Students are responsible for all unpaid charges in accordance with College policies and the refund policy. Certain College fees are non-refundable. Please refer to the College Catalog or your bill. Unpaid balances are subject to interest and collection expenses that will be added to the outstanding balance.

Financial aid recipients who have a zero balance must officially withdraw to avoid losing present and future financial aid awards. Withdrawal from a course can result in changes to financial aid eligibility and award amounts. In the case of complete withdrawal from the College, students awarded federal Title IV financial aid will be subject to proration or reductions.

Student Privacy Rights

Notice of Student Privacy Rights

Suffolk County Community College complies with the Family Educational Rights and Privacy Act (FERPA). This act protects the privacy of education records and provides guidelines for the correction of inaccurate or misleading data. Students also have the right to file complaints with FERPA if the institution allegedly fails to comply.

Copies of the College FERPA policy may be found on SCCC's three campuses in the Offices of the Associate Deans of Student Services, as well as in the central Office of Legal Affairs and Office of the College Registrar (NFL Building, Ammerman Campus). Questions regarding FERPA may be referred to any of the above offices.

Public Notice Designating Directory Information

Suffolk County Community College designates the following categories of student information as public or "directory" information. This does not mean, however, that the College will indiscriminately release such information about students. Requests for directory information on all SCCC students or categories of students will generally not be honored. Release will be restricted to information on individual students only, with each request considered on an individual basis by the Deans of Student Services and/or the Registrar Offices. Suffolk County Community College designates the following items as directory information:

Name	Major field of study
Address (permanent, local and email)	Honors, awards, or special recognition
Telephone number (permanent and local)	Weight and height, if a member of an athletic team
Photograph	Prior schools attended and degrees awarded
Dates and status of enrollment	

Currently enrolled students may withhold disclosure of directory information. To request nondisclosure, you must provide written notification to your home campus Registrar Office. Suffolk County Community College assumes that the absence of the written request for nondisclosure of directory information indicates approval for disclosure.
