Homemade Gelato

<i>Italian Cream</i>	Small	Medium	Large	<i>Style Ice</i>
	\$3.95	\$4.75	\$5.25	

Why Gelato instead of Ice Cream?

- . Made with more milk than cream, so it's lower in fat
- . Churned at a lower speed introducing less air, so it's creamier
- . Served at a slightly higher temperature, so it has a softer consistency and more intense flavor

Our Gelato is homemade. Flavors change seasonally.

Prices do not include sales tax.
