REFUND POLICY FOR WINTERSSESSION 2010-2011
CREDIT COURSE REFUND POLICY

How Refunds Are Determined
The date of your official withdrawal determines what tuition and refundable fees (if any) you will receive or have credited to your account. Please consult the hours of operation of Registrar's Offices or go online to complete your transaction. This table gives you the refund dates for the Wintersession 2010-2011 semester. The College makes all refund payments by check regardless of how you paid your bill. Refunds are processed after the final drop date for each semester.

A 100% tuition refund will be granted through: December 26, 2010
A 25% tuition refund will be granted on: December 27, 2010 through January 2, 2011
No refunds on or after this date: January 3, 2011
Note: Requests for refunds will not be considered after the refund period is over.

Course Withdrawal
During the official drop period (dates above), you can drop a course on the Web at MY SCCC or by completing a DROP form. To withdraw from courses after the drop dates, a student must officially notify the College by completing a WITHDRAWAL form. Both forms are available at the campus Registrar’s Office or on the College’s Web site (www.sunysuffolk.edu). Non-attendance in a course, verbal communication with College offices or instructors, or stopping payment on a check are not considered official notification of withdrawal.

Your Liability to the College
By registering for classes, you have incurred a liability to the College for related tuition and fees. Students are responsible for all unpaid charges in accordance with College policies and the refund policy. Certain College fees are non-refundable. Please refer to the College catalog or your bill. Unpaid balances are subject to interest and collection expenses that will be added to the outstanding balance.

Financial aid recipients who have a zero balance must officially withdraw to avoid losing present and future financial aid awards. Withdrawal from a course can result in changes to financial aid eligibility and award amounts. In the case of complete withdrawal from the College, students awarded federal Title IV financial aid will be subject to proration or reductions.

NOTICE OF STUDENT PRIVACY RIGHTS
Suffolk County Community College complies with the Family Educational Rights and Privacy Act (FERPA). This act protects the privacy of education records and provides guidelines for the correction of inaccurate or misleading data. Students also have the right to file complaints with FERPA if the institution allegedly fails to comply.

Copies of FERPA, as well as copies of the College’s records policy, may be found on all campuses in the Offices of the Deans of Student Services, as well as the Legal Affairs and Compliance Office and the Office of the College Registrar (NFL Building, Ammerman Campus).

Questions regarding FERPA may be referred to the Deans of Student Services or the College Registrar.

PUBLIC NOTICE DESIGNATING DIRECTORY INFORMATION
Suffolk County Community College designates the following categories of student information as public or “directory” information. This does not mean, however, that the College will indiscriminately release such information about students. Requests for directory information on all SCCC students or categories of students will generally not be honored. Release will be restricted to information on individual students only, with each request considered on an individual basis by the Deans of Student Services and/or the Registrar’s Offices. Suffolk County Community College designates the following items as directory information:

<table>
<thead>
<tr>
<th>Name</th>
<th>E-Mail Address</th>
<th>Prior School(s) Attended</th>
</tr>
</thead>
<tbody>
<tr>
<td>Address</td>
<td>Major Field of Study</td>
<td>Height and Weight of Members of Athletic Teams</td>
</tr>
<tr>
<td>Telephone Number</td>
<td>Dates and Status of Enrollment</td>
<td></td>
</tr>
<tr>
<td>Photograph</td>
<td>Degrees and Awards Received</td>
<td>Past and Present Participation in Officially Recognized Sports and Activities</td>
</tr>
<tr>
<td>Date of Birth</td>
<td></td>
<td></td>
</tr>
</tbody>
</table>

Currently enrolled students may withhold disclosure of directory information. To request nondisclosure, you must provide written notification to your home campus Registrar’s Office. Suffolk County Community College assumes that the absence of the written request for nondisclosure of directory information indicates approval for disclosure.
