Directions
1) You can view the online scholarship database (www.sunysuffolk.edu/scholarships) to determine which scholarships you are eligible for and any special criteria or application procedures. The Scholarship Opportunities brochure is also available in the Dean of Student Services Office, Ammerman and Grant Campuses or at the Eastern Campus Financial Aid Office.

2) Attach a personal statement of 200-250 words (if required). Your statement should include such things as your interest in the scholarship, your educational and career goals, extracurricular activities, community service, and anything else you believe would be of interest to the selection committee. Note that some scholarships require an essay on a specific topic rather than a personal statement.

3) Arrange to have letters of recommendation forwarded (if required), or you may submit them with your application.

4) Submit this completed application form with all appropriate attachments by the due date. Check the brochure or online scholarship database for information on the due date and where to submit your materials.

5) Contact the following offices for additional information:
