**Goal 2.0: Community Development/Societal Improvement:** To promote social and economic development of the community we serve.

- ☐ 2.1 Enhance the local workforce by increasing partnerships with key employment sectors and offering programs to address the employment skills gap in Suffolk County.
- ☐ 2.2 Expand targeted outreach to non-traditional constituents to increase the number of non-traditional students served through continuing education and traditional academic programs.
- ☐ 2.3 Enhance community enrichment through increased participation in social and cultural events, initiatives, and activities conducted by the College or in partnership with external stakeholders.
- ☐ 2.4 Expand partnerships with local high schools, school districts, and other higher education institutions to ensure successful and smooth transitions from high school to college.

**Goal 3.0: Access and Affordability:** To provide access to higher education by reducing economic, social, geographic and time barriers.

- ☐ 3.1 Improve access by developing needed facilities and reducing geographic barriers associated with campus structures and topography through the implementation of the Capital Program as evidenced by specific project completion each year.
- ☐ 3.2 Reduce the economic barriers to higher education by maximizing institutional efficiencies in order to minimize increases in College operating costs, as evidenced by the budget.
- ☐ 3.3 Reduce the economic barriers to higher education associated with limited financial aid by increasing the number of applications for and awards of both merit- and need-based scholarships, as evidenced by Foundations update reports.
- ☐ 3.4 Reduce social, geographic, and time barriers to academic success through the enhancement of online, web and/or mobile academic and student support by increasing the availability, accuracy and currency of courses, applications and content, as well as the ease and convenience of delivery.

**Goal 4.0: Institutional Effectiveness:** To monitor and assess the performance of the institution to ensure continuous improvement in achieving the mission, vision and goals of the College.

- ☐ 4.1 All divisions, departments, programs, services and units of the College will, through the implementation of an integrated planning system, monitor and assess outcomes and communicate evidence that assessments have been used toward continuous improvement in achieving the College's mission, vision, and goals.

**Goal 5.0: Communication:** To promote transparent and effective communication within the college community and between the college community and external constituencies.

- ☐ 5.1 Through written, electronic and face-to-face communication, issue college-wide communication to administrators, faculty, staff, and students in order to promote effective internal communication. In addition each campus will develop methods to deliver and receive departmental and divisional input about their mission-related activities.
- ☐ 5.2 Through written, electronic, and face-to-face communication, issue information to external constituents and stakeholders about College and student initiatives and accomplishments, as well as community outreach programs, in order to promote the value the college brings to Suffolk County and its citizens.

**Goal 6.0: Diversity:** To reflect the ethnic, demographic, and economic composition of Suffolk County.

- ☐ 6.1 Foster and demonstrate measureable improvement in decreasing ethnic disparities within its instructional and non-instructional faculty and staff for pan-cultural groups.
