### Annual Tuition and Living Cost Worksheet

Name (enter name per passport):

Last \_\_\_\_\_ First \_\_\_\_\_ Middle \_\_\_\_\_

#### Annual Cost per Academic School Year:

##### Associate Degree Program

|   |                        |
|---|------------------------|
| Tuition and Fees                        | \$12,140               |
| Living Expenses (not including housing) | 7,988                  |
| Books and Supplies                      | 1,500                  |
| <b>Annual Cost in U.S. Dollars</b>      | <b><u>\$21,628</u></b> |

##### Intensive English Program (IEP) - Language Training

|   |                        |
|---|------------------------|
| Tuition and Fees                        | \$ 4,910               |
| Living Expenses (not including housing) | 7,988                  |
| Books and Supplies                      | 1,500                  |
| <b>Annual Cost in U. S. Dollars</b>     | <b><u>\$14,398</u></b> |

If you do not have a housing sponsor offering you free room and board, you must add \$11,000 for the cost of housing to the annual cost.

If a dependent (spouse or child) is accompanying you to the United States, additional funding is required. Add an additional \$6,500 per year for a spouse and \$4,500 per year for each additional child to the annual cost.

To determine your annual total cost, add all the amounts that apply:

|  |                 |
|--|-----------------|
| Tuition, Living Expenses, and Books and Supplies               | \$ _____        |
| If applicable, additional cost of housing when self-sponsoring | _____           |
| If applicable, additional cost for each dependent              | _____           |
| <b>Total Annual Cost per Academic School Year</b>              | <b>\$ _____</b> |

#### Declaration of Financial Resources:

|   |                 |
|---|-----------------|
| Personal funds (money available under your name) in U.S. dollars.         | \$ _____        |
| Financial support provided from the financial sponsor(s) in U.S. dollars. | _____           |
| <b>Total amount of funds available per year in U.S. dollars</b>           | <b>\$ _____</b> |

Total amount of funds available must be at least equal to the total annual cost per academic school year.

#### Note: Length of Study is:

Two years for academic (Associate) degree program

A year and a half for Intensive English Program (IEP) - Language Training
