All students should create their student email account as soon as possible. They must wait at least six hours after creating their portal account to create their student email account. Additionally, this is the preferred communication method for college professors.

2. Enter your SUNY Suffolk email address. Your college email address should be your MySCCC username @mail.sunysuffolk.edu.
   - **Ex:** aguif01@mail.sunysuffolk.edu
3. Your password is the same as your MySCCC password.
4. You will need to provide and verify a recovery phone or email for password resets.
5. Download the Outlook app onto your phone today so you do not miss an important college message.

**My SUNY Suffolk email address is:**
