UNIVERSITY

**PACE**  
UNIVERSITY

Full- and partial-tuition scholarships are offered to students as they graduate from SUNY Suffolk. Individuals must demonstrate that they have contributed significantly to the college and their community, and prove noteworthy academic achievement.

Applicants must have a cumulative GPA of 3.75 by the application due date, 45+ credits, and must expect to graduate by the end of the current semester.

Applying for a SoLI scholarship is not an application for admission to a partnering institution. You must apply for transfer admission separately and directly to the participating four-year college or university of your choice.

For more information about our partner colleges and universities, the application process or our upcoming workshops, please visit [sunysuffolk.edu/solii](http://sunysuffolk.edu/solii).
