What is CLEP®?

The knowledge you've gained from your education or professional experiences can take you farther than you think. CLEP offers you the opportunity to earn college credit by earning qualifying scores on any of 33 CLEP examinations. The exams are administered at 1,700 colleges, and 2,900 colleges and universities will grant credit for successful scores.

CLEP helps you:

Save time.

Depending on your college's CLEP® policy, a satisfactory score on each CLEP exam can earn you up to 12 credits.

Save money.

At $80, CLEP is a fraction of the tuition and fees for a college course.

Move ahead.

CLEP exams allow you to place into the right classes so you can avoid repeating material and move into more advanced classes sooner.

Graduate on time.

CLEP can help you complete your degree program if you're a few credits shy of graduation.
