Dining and the Meal Plan at Suffolk County Community College

Welcome to the fall semester!

The College's Dining Services team provides a full service dining solution to students attending Suffolk, and it proudly delivers a wide range of recipes and experiences to everyone. As a Suffolk student, you are able to take full advantage of all we have to offer, while enjoying great savings!

If you are enrolled for 9 or more credits in courses held on the Ammerman or Michael J. Grant campuses, you are already receiving a $100 meal plan balance per semester and have been automatically enrolled in the plan. Online, weekend, and other off-campus courses do not count toward the 9 or more credits needed for auto-enrollment.

Even if you are not enrolled as described above, you can still take advantage of the meal plan and the savings that come with it. Visit our website www.sccc.campusdish.com for more information on how to create an account and sign up today.

How does the meal plan work?
The $100 that comes with your meal plan purchase has a dollar-for-dollar value and is deducted directly from the meal plan account balance that is accessible through your student ID card, just like a prepaid debit card. These dollars are also tax free! You save on the sales tax when you use your student ID card at the registers.

Your meal plan can be used at the following locations:

Ammerman Campus, Selden - Dining Locations and Hours of Service
