Dear Graduates:

Please accept my heartfelt congratulations on your recent graduation from Suffolk County Community College!

You should all be justifiably proud of this accomplishment and perseverance that you exuded through your academic journey. Each and every one of you have taken a great step forward towards a rewarding future and your success will serve as an example for all future SCCC students.

It is truly an honor to represent so many in the Class of 2021. The administration and professors at SCCC have always been, and will continue to be, a great resource for students, providing the educational opportunity to achieve the dreams and goals for so many.

As you go forward, always remember the lessons you learned from your professors and apply them to your future successes. Your experience and the degree that you have earned will serve you well.

You are to be commended for your commitment, hard work and pursuit of academic excellence. You have already distinguished yourself and I am certain that great things await you.

I wish you all continued success in your endeavors. You are the future leaders and I look forward to seeing and hearing about what you accomplish in the coming years.

Congratulations!!

Best wishes,
