College Brief

NO. 141 April 28, 2021

TO: The College Community

FROM: Office of Human Resources

SUBJECT: Mandatory Pooled Saliva Testing Calendar for May

As previously announced, all faculty, staff, and students coming onto campus regularly throughout the semester must participate in weekly mandatory COVID-19 pooled saliva testing. In addition, for those members of the college community who are not on campus on a weekly basis, for every week they are on campus they must be tested once during that week.

The College continues to provide for regular, weekly pooled saliva testing of faculty, staff and students at the following campus locations:

Ammerman Campus: Babylon Student Center – Montauk Point Room

Michael J. Grant Campus: Captree Commons Cafeteria

Eastern Campus: Montaukett Learning Resource Center – Lyceum Gallery 107

The calendar below reflects the testing options currently available for on-campus faculty, staff and students to complete their required weekly pooled saliva tests during the month of May. The complete calendar can be accessed by clicking this link:

<https://www.sunysuffolk.edu/coronavirus/covid-testing-schedule.jsp> Everyone is encouraged to check the website calendar periodically for the most current testing schedule. Similar notifications will be issued through future College Briefs to assist everyone with meeting this weekly testing requirement. Please remember that all employees must coordinate their testing schedule with their immediate supervisor; testing is expected to take place on work time and only on the days you are scheduled to be on-site. Remember, you can go to any campus location to complete your weekly testing requirement.
