College Brief

NO. 143 June 25, 2020
TO: The College Community
FROM: Jeffrey M. Pedersen, Ed. D.
 Vice President for Planning and Institutional Effectiveness
SUBJECT: SUNY COVID Employee Impact Survey

SUNY has developed a survey instrument to gather information about faculty and staff experiences over the last few months. We have agreed to participate in the survey to gain insight about the effects of the pandemic and the state's response on our faculty and staff.

The survey will be deployed Monday, June 29th and will remain open until Wednesday, July 15th. It will come from SUNY (survey@suny.edu). Participation in the survey is voluntary and anonymous. Results will be given to the College and any information distributed publicly will be in the aggregate for the whole SUNY system with protections to preserve participant anonymity. The survey has received SUNY system IRB approval.

We encourage all faculty and staff to participate in the survey and will share the results of the survey when completed. Thank you for your continued cooperation during this challenging time.
