

Suffolk County Community College

College Brief

NO. 54 January 18, 2022

TO: The College Community

FROM: Dr. Edward Bonahue
 President

SUBJECT: Extension of 75% Staggered Staffing to February 4, 2022

In the College Brief issued to the community on December 22, 2021, we announced the delay in the return to 100% staffing for all personnel until at least January 21st. During this afternoon's Safe Start Task Force meeting, a consensus was reached to extend this date further, as follows:

Most full-time employees who were working at 75% staggered staffing in the fall 2021 semester are authorized to continue to do so through Friday, February 4, 2022. Please note, however, that employees needed to support on-campus instruction in the spring semester, or to meet other operational needs, may be required to return, if so directed by their supervisor.
