## College Brief

NO. 86      February 26, 2021

TO:            The College Community

FROM:        Office of Human Resources

SUBJECT:    Suffolk County Extends Weekly Mobile COVID-19 Rapid Testing for Employees, Dependents and Retirees Through May

Suffolk County has extended its weekly schedule for drive-through COVID-19 Rapid Tests being offered free of charge to Suffolk County employees, their dependents and retirees.

Over the past few months, the County's COVID-19 testing programs have administered over 13,000 rapid tests to Suffolk County employees, their families and retirees. As a result of the success of this program, the County is extending its testing through the end of May.

**Testing will continue to operate at Smith Point County Park every Saturday through May from 8 a.m. to 4 p.m.** No appointment is necessary and employees/retirees and their dependents will be tested in their vehicles. Testing at this site is exclusively available to employees/retirees, who must present either their employee identification card, a paystub, or a Suffolk EMHP insurance card. Employees/retirees must accompany their dependents who are interested in receiving this benefit.

If you have any questions, please contact the Suffolk County Employee Benefits Unit at 631-853-4866.
