All degree seeking and non-degree students will need to verify that they have met course prerequisites before they will be permitted to register for courses that have pre-requisite requirements.

As a non-degree student, you will need to provide evidence that you have satisfied prerequisites by showing documentation, such as prior transcripts, Regents examination scores, or other test scores, such as SAT, ACT or Advanced Placement scores.

If you have documentation which shows that a prerequisite was met, you can present this documentation, along with a prerequisite waiver request form (available on the College website, Quick Links → Non-Degree Students), via email to an academic dean. Please select the dean who is associated with the campus on which the desired course is offered (from the choices below). Fall 2024 Credit Course Refund Policy

Refund/Student Liability Schedule

When a student officially drops a class during the Drop/Refund period, the charges for tuition and fees will be adjusted according to College and SUNY policy. This may or may not result in a refund. Students can officially drop online or in person at a campus Registrar Office. Non-attendance in a course, verbal communication with College offices or instructors, stopping payment on a check or disputing a credit card are NOT official ways to drop classes.

Refunds or adjustments reduce charges on the account and are not based on what was paid. They are calculated from the start date of the session, not the start date of the classes that a student is registered for. Certain fees are not refundable. Visit sunysuffolk.edu for more information. After officially dropping a class(es), the charges on the student account are re-calculated and the College either refunds or bills the student for the applicable amounts.

Course Withdrawal

During the official add/drop period, you may log into your Suffolk Login Portal account at sunysuffolk.edu/login or by completing a DROP form. To withdraw from courses for any reason, a student must officially notify the College by completing a Withdrawal form. Both forms are available at the campus Registrar Office or on the College’s Website (www.sunysuffolk.edu). Non-attendance in a course, verbal communication with College offices or instructors, or stopping payment on a check is not considered official notification of withdrawal.

Financial aid recipients who have a zero balance must officially withdraw to avoid losing present and future financial aid awards. Withdrawal from a course can result in changes to financial aid eligibility and award amounts. In the case of complete withdrawal from the College, students awarded federal Title IV financial aid will be subject to proration or reductions.

Student Privacy Rights

Notice of Student Privacy Rights

Suffolk County Community College complies with the Family Educational Rights and Privacy Act (FERPA). This act protects the privacy of education records and provides guidelines for the correction of inaccurate or misleading data. Students also have the right to file complaints with FERPA if the institution allegedly fails to comply.

Copies of the College’s FERPA policy may be found on SCC’s three campuses in the Offices of the Associate Deans of Student Services, as well as in the central Office of Legal Affairs and Office of the College Registrar (NFL Building, Ammerman Campus). Questions regarding FERPA may be referred to any of the above offices.

Public Notice Designating Directory Information

Suffolk County Community College designates the following categories of student information as public or “directory” information. This does not mean, however, that the College will indiscriminately release such information about students. Requests for directory information on all SCC students or categories of students will generally not be honored. Release will be restricted to information on individual students only, with each request considered on an individual basis by the Deans of Student Services and/or the Registrar’s Offices. Suffolk County Community College designates the following items as directory information:

- **Name**
- **Major field of study**
- **Address (permanent, local and email)**
- **Honors, awards or special recognition**
- **Telephone number (permanent and local)**
- **Weight and height, if a member of an athletic team**
- **Photograph**
- **Prior schools attended and degrees awarded**
- **Dates and status of enrollment**

Currently enrolled students may withhold disclosure of directory information. To request nondisclosure, you must provide written notification to your home campus Registrar’s Office. Suffolk County Community College assumes that the absence of the written request for nondisclosure of directory information indicates approval for disclosure.
Vehicle Registration And Parking Information

All motor vehicles on campus, including motorcycles, must be registered with the College and display the appropriate decal. You can order your parking permit online when you access your Student Dashboard. Go to Other Student Functions and click on Vehicle Registration link. Failure to do this will result in a fine, and unregistered vehicles will be located using the NYSDMV system. You may obtain your parking permit only after you have registered for classes and paid your bill. You will be assigned one parking pass that is designed to move from one vehicle to another. Please be sure to park in student-designated areas only (within white lines). All handicapped passes on vehicles parked in handicapped zones must be registered to the student. Traffic/Parking regulations, fines and parking lot crime prevention may be obtained online at the Public Safety site.

Advisement

Online advising is available. Students wishing to consult with an advisor can send an email to one of the following Counseling email addresses: counselinga@sunysuffolk.edu for the Ammerman Campus; counsellege@sunysuffolk.edu for the Eastern Campus; counselingg@sunysuffolk.edu for the Michael J. Grant Campus.

ID Cards

Students are required to obtain and carry an official Suffolk County Community College ID Card. ID and photo stations are located on all campuses. Please check the College Website for specific locations and schedules.

Degree Works

Degree Works Student Degree Audit

Degree Works is available on the College Website in your Student Profile. It lists the requirements for your curriculum, the courses you’ve taken, and the courses you still need in order to graduate. It also includes your assigned date for priority registration, information about where to get advisement, and whether you need an advisor’s signature before you register.

Immunization

In accordance with NYS Public Health Law Section 2165, all students enrolled for at least six (6) semester hours, or the equivalent, at Suffolk County Community College, who were born on or after January 1, 1957, are required to provide acceptable written proof of immunity against measles, mumps, and rubella in accordance with standards approved by the New York State Department of Health. You must also submit the Meningitis Acknowledgment Form in order to register. Failure to complete these requirements will result in a hold being placed on your record, which will prevent registration. Please see the full policy.
