#### Your Liability to the College

By registering for classes, you have incurred a liability to the College for related tuition and fees. Students are responsible for all unpaid charges in accordance with College policies and the refund policy. Certain College fees are non-refundable. Please refer to the College Catalog or your bill. Unpaid balances are subject to interest and collection expenses that will be added to the outstanding balance.

Financial aid recipients who have a zero balance must officially withdraw to avoid losing present and future financial aid awards. Withdrawal from a course can result in changes to financial aid eligibility and award amounts. In the case of complete withdrawal from the College, students awarded federal Title IV financial aid will be subject to proration or reductions.

### Student Privacy Rights

#### Notice of Student Privacy Rights

Suffolk County Community College complies with the Family Educational Rights and Privacy Act (FERPA). This act protects the privacy of education records and provides guidelines for the correction of inaccurate or misleading data. Students also have the right to file complaints with FERPA if the institution allegedly fails to comply.

Copies of the College’s FERPA policy may be found on SCCC’s three campuses in the Offices of the Associate Deans of Student Services, as well as in the central Office of Legal Affairs and Office of the College Registrar (NFL Building, Ammerman Campus). Questions regarding FERPA may be referred to any of the above offices.
Public Notice Designating Directory Information

Suffolk County Community College designates the following categories of student information as public or “directory” information. This does not mean, however, that the College will indiscriminately release such information about students. Requests for directory information on all SCCC students or categories of students will generally not be honored. Release will be restricted to information on individual students only, with each request considered on an individual basis by the Deans of Student Services and/or the Registrar’s Offices. Suffolk County Community College designates the following items as directory information:

- Name
- Major field of study
- Address (permanent, local and email)
- Honors, awards or special recognition
- Telephone number (permanent and local)
- Weight and height, if a member of an athletic team
- Photograph
- Prior schools attended and degrees awarded
- Dates and status of enrollment

Currently enrolled students may withhold disclosure of directory information. To request nondisclosure, you must provide written notification to your home campus Registrar’s Office. Suffolk County Community College assumes that the absence of the written request for nondisclosure of directory information indicates approval for disclosure.

ATTENTION NON-DEGREE STUDENTS

Registration Policy Regarding Prerequisites

All degree and non-degree students will need to verify that they have met course prerequisites before they will be permitted to register for courses that have prerequisite requirements.

As a non-degree student, you will need to provide evidence that you have satisfied prerequisites by showing documentation, such as prior transcripts, Regents examination scores, or other test scores, such as SAT, ACT or Advanced Placement scores.

If you have documentation which shows that a prerequisite was met, you can present this documentation, along with a prerequisite waiver request form (available on the College website, Quick Links → Non-Degree Students), via email to an academic dean. Please select the dean who is associated with the campus on which the desired course is offered (from the choices below).
