College Policy Regarding Prerequisites

All degree seeking and non-degree students will need to verify that they have met course prerequisites before they will be permitted to register for courses that have pre-requisite requirements.

As a non-degree student, you will need to provide evidence that you have satisfied prerequisites by showing documentation, such as prior transcripts, Regents examination scores, or other test scores, such as SAT, ACT or Advanced Placement scores.

If you have documentation which shows that a prerequisite was met, you can present this documentation, along with a prerequisite waiver request form (available on the College website, Quick Links → Non-Degree Students), via email to an academic dean. Please select the dean who is associated with the campus on which the desired course is offered (from the choices below). If you have questions concerning this policy or its procedures, please email the appropriate campus below.

Credit Course Refund Policy for Wintersession 2023-2024

How Refunds/Student Liability Are Determined

The date of your official withdrawal determines what tuition and refundable fees (if any) you will receive or have credited to your account. Please complete your transaction online or consult the hours of operation of the Registrar Offices. This table gives you the refund dates for the Spring 2024 semester. The College issues electronic refunds through BankMobile Disbursements, a technology solution, powered by BMTX, Inc., regardless of how you paid your bill. Refunds are processed after the final add/drop date for each semester.

Course Withdrawal

During the official add/drop period, you may log into Suffolk Login Portal at sunysuffolk.edu/login or by completing a DROP form. To withdraw from courses for any reason, a student must officially notify the College by completing a Withdrawal form. Both forms are available at the campus Registrar Office or on the College’s Website (www.sunysuffolk.edu). Non-attendance in a course, verbal communication with College offices or instructors, or stopping payment on a check is not considered official notification of withdrawal.

Student Privacy Rights

Notice of Student Privacy Rights

Suffolk County Community College complies with the Family Educational Rights and Privacy Act (FERPA). This act protects the privacy of education records and provides guidelines for the correction of inaccurate or misleading data. Students also have the right to file complaints with FERPA if the institution allegedly fails to comply.

Copies of the College’s FERPA policy may be found on SCCC’s three campuses in the Offices of the Associate Deans of Student Services, as well as in the central Office of Legal Affairs and Office of the College Registrar (NFL Building, Ammerman Campus). Questions regarding FERPA may be referred to any of the above offices.

Public Notice Designating Directory Information

Suffolk County Community College designates the following categories of student information as public or “directory” information. This does not mean, however, that the College will indiscriminately release such information about students. Requests for directory information on all SCCC students or categories of students will generally not be honored. Release will be restricted to information on individual students only, with each request considered on an individual basis by the Deans of Student Services and/or the Registrar’s Offices. Suffolk County Community College designates the following items as directory information:

- Name
- Major field of study
- Address (permanent, local and email)
- Honors, awards or special recognition
- Telephone number (permanent and local)
- Weight and height, if a member of an athletic team
- Photograph
- Prior schools attended and degrees awarded
- Dates and status of enrollment

Currently enrolled students may withhold disclosure of directory information. To request nondisclosure, you must provide written notification to your home campus Registrar’s Office. Suffolk County Community College assumes that the absence of the written request for nondisclosure of directory information indicates approval for disclosure.
