**Subsidized Loan** Fixed interest rate of 4.45% as of July 1, 2017. Federal government pays accruing interest while the student is enrolled in school. Repayment begins six months after the student graduates, withdraws, or ceases to be enrolled at least half-time (*minimum six credits*).

**Unsubsidized Loan** Fixed interest rate of 4.45%. Student is responsible for accruing interest with the option to make interest payments while in school or allowing the interest to accrue and be added to principal (capitalized). Repayment begins six months after the student graduates, withdraws, or ceases to be enrolled at least half-time (*minimum six credits*). **Warning: Interest on Unsubsidized Loans begins to accrue upon receipt of the loan funds. For example, if you borrow \$5,500, in Unsubsidized Loan funds, at the end of one year you will owe \$5,745, and at the end of the second year you will owe \$5,990 a total of \$490 in accrued interest in just two years.**

- 
- I understand that I must repay my student loans including accrued interest once I am no longer enrolled at least half-time.
  - I understand that if I do not repay my student loans I will be considered in default and will suffer the consequences. These include: my account will be sent to a collection agency, my unpaid loan balance becomes payable in full, I will be reported to national credit bureaus, I will be subject to seizure of federal/state income tax returns and possible wage garnishment, I will be ineligible for any further financial aid.
  - I understand that I must notify the Federal Direct Loan Program if I change my address, or telephone number.
  - I understand that I must notify my loan servicer before the due date if I cannot make a payment.
  - I understand that I can make an appointment with a financial aid professional at SCCC to discuss my indebtedness and repayment responsibilities.

**I have reviewed my loan information on the National Student Loan Data System ([www.nslds.ed.gov](http://www.nslds.ed.gov)) and I am aware that after this loan increase my outstanding principal balance will be \_\_\_\_\_.**
