Honors Program Application

Scholarships

The Honors Program awards a number of scholarships annually. All students who are accepted into the Honors Program are automatically considered. The sole criterion for all Honors scholarships is academic merit.

How to apply to the Honors Program:

- Complete this application and return it to the appropriate campus coordinator.
- Submit at least one (1) letter of recommendation from a teacher, guidance counselor, or other person familiar with your academic potential.
- Enclose a copy of your high school transcript, SAT or ACT reports, and the transcripts of any previous college course work.
- Include an essay of approximately 500 words that gives a perspective on you as both a student and an individual. The topic is open, but the essay should reflect your best writing ability.

Send your Honors Program application and materials to the appropriate campus office:
