

Reinstatement Policy

Students who receive grades of C, D+, D, F, or a W in any PNU/NUR course (aside from NUR102 or NUR125) may apply for reinstatement to repeat the course. Nursing students requesting reinstatement due to interruption of the specified progression through the program of study, for any reason, are not guaranteed a seat in the course requested. Reinstatement is dependent on clinical space availability, a review of the student's academic eligibility, and the successful completion of the Remediation Plan for that course. Students can be reinstated into a course only one (1) time. Reinstatement must occur within one (1) year from the last clinical course or the student must reapply to the program as a new student.

Please follow the steps below to be considered for reinstatement.

1. Email a Formal Letter of Intent to the Academic Chairperson to be considered for reinstatement.
2. Meet with Academic Chairperson to receive and discuss the Remediation Plan.
3. Follow the steps of the Remediation Plan according to the timeframe. The steps include two reflective journals, ATI assessments, lab practice, case studies, and care planning.
