Technology Guide for Students
Use this guide to find out what you need to know, where you can find help and what technology resources are available to you!
College Web Site
http://www.sunysuffolk.edu/
This is SCCC’s homepage where college news, events and announcements are posted. From here you can view department homepages, download the college catalog and access your student records in MySCCC.

Suffolk Online
http://suffolkonline.open.suny.edu/
Blackboard Learn is the course management system at SCCC where teachers are able to provide their course materials online.

Logging In
Click on the Blackboard Login logo and enter your MySCCC username and password.

Accessing Your Bb Courses
Click on the Courses Tab to view your Bb courses. Click on their links in the Course List to access course material from your teacher.

Student Orientation
Click on the Student Orientation link to enroll in the course and practice using Blackboard.

Student Guide to Blackboard
New to Blackboard?
View the Student Guide to Blackboard at: http://scccoit.com/students/

Academic Computing Centers
On all three campuses, there are computer labs for students to use for academic purposes. There are both Windows and MAC computer labs. Specific software is loaded on the computers that pertains to the courses offered on that campus. Please visit the webpage of the ACC on the campus you wish to attend for their locations, hours and software.
