August 2020

Welcome to Suffolk County Community College--the largest community college in the State University of New York (SUNY) system. With more than 70 degree and 30 certificate program options, we offer countless opportunities for you to learn, grow, and excel as you pursue your academic goals. As a comprehensive community college, SUNY Suffolk sees its primary purpose as providing access to high quality, cost-effective educational experiences, designed to improve our students’ transfer and career prospects, as well as enhancing the quality of life here on Long Island.

In anticipation of starting the fall 2020 semester, you should know that Suffolk County Community College has planned extensively to implement Coronavirus Procedures that are in the best interest of protecting the health and safety of our students, faculty and staff. Since March, New York State Governor Andrew M. Cuomo in coordination with the State University of New York and the departments of health, have issued a series of directives and guidelines that have helped to shape the College planning decisions in response to the COVID-19 pandemic.

Together, our entire college community—including you—will be navigating a challenging time. The College administration and faculty remain dedicated to ensuring that we are all able to connect effectively—especially as it impacts upon our support for the goals and aspirations of our students. We have worked hard to establish protocols that will ensure your safety on campus and we continue to maintain our priority for presenting a clean environment. This pandemic has changed the College routines and we are dedicated to keeping you informed about all future changes as they occur.

The college community is vibrant, creative, and caring. Suffolk County Community College students are challenged to think critically and show good judgment within the educational community environment where principles of freedom of expression, education, diversity, and fairness are valued and affirmed. I encourage you to develop a clear, focused sense of what you would like to achieve. Our college community is here to help you as you determine where you would like to go and what you would like to do. Our faculty, staff, and administrators are constantly reviewing opportunities for enhancing the probability of success for our students. This means you have the advantage of attending college in a student focused and supportive teaching and learning environment.

Each year, the College educates tens of thousands of students who live on Long Island. Even after they graduate, more than 80% of them remain here. They live full lives, richer economically and academically, by having taken advantage of what we offer. Whether you start at SUNY Suffolk with the goal of transferring to a four-year institution after graduation or whether you need certain classes to enhance your career skills, you will find everything you need to succeed here at SUNY Suffolk.

As a result of an emphasis on student achievement, graduates of SUNY Suffolk emerge prepared for the next step in their academic and career pursuits. I am confident that by choosing to attend SUNY Suffolk, you will create meaningful relationships and be inspired to reach your dreams.

Sincerely,
Dr. Christopher J. Adams
Vice President for Student Affairs
General Information

Academic Calendar
The College Academic Calendar provides you with important information about dates of note within the academic year. These include, but are not limited to, when classes begin and end, holidays, dates for registration and priority registration, etc.

Academic Integrity
The College Student Code of Conduct expressly prohibits “engaging in any form of academic dishonesty.” While this code should be interpreted broadly and does not define such conduct in exhaustive terms, the following conduct clearly falls under the heading of academic dishonesty.

The term “academic dishonesty” includes, but is not limited to, cheating on an examination; plagiarizing, that is, the taking and passing off as one’s own work the ideas, writings, or work of another, without citing the source; submitting work from another course unless receiving advance approval to do so by the instructor; stealing or possessing stolen examinations or course materials; posing as another person or allowing another person to pose as oneself; falsifying academic records; receiving help from others in work to be submitted, if contrary to stated course rules.

Academic Programs
The College Website contains complete listing of the College Majors and Programs.

Accident Insurance
Due to legal and regulatory changes related to the Affordable Care Act (ACA), as of Fall 2018, the College no longer offers the Student Accident Insurance Plan (SAIP) to students. Based on these conditions, all students must now find their own private health insurance coverage. Individuals under the age of 26 may qualify for health insurance under a parent’s plan. Individuals may also be eligible for coverage under their parent’s plan until age 29 under State law if certain requirements are met. For more information, see the NYS Department of Financial Services website. Those who do not qualify for coverage under a parent’s health insurance policy should visit the New York State Health Plan Marketplace. By following the steps outlined on the website, students can identify and purchase healthcare coverage ideally suited to their own needs, as well as explore whether they qualify for free or low-cost coverage options and assistance that may be available to obtain coverage. Some students may not be able to obtain coverage through the Marketplace until the applicable open enrollment period for coverage begins, but some students may qualify for a special enrollment period and, thus, be able to obtain coverage now, so we encourage students to research their eligibility and coverage options as soon as possible.

Please note that it is extremely important for students to obtain health insurance. The College encourages its students to pursue either: (a) coverage through a parent’s health insurance or; (b) a personal policy available through the online Marketplace. Students are responsible for their own health, and should take the time to find the ideal insurance options.

Common Hour
In order to facilitate a common meeting time when there are minimally scheduled classes and to encourage faculty and students to participate in non-classroom activities together, the College has designated Wednesdays, 11:00 a.m. - 12:15 p.m., as Common Hour. During this time, students have the opportunity to participate in College events and club meetings. These events are advertised via the College bulletin boards, digital signs and the Calendar of Events. Students are encouraged to participate, which will enhance the college experience.

Delinquent Accounts
All monies owed the College must be paid prior to the release of grade reports, transcripts, degrees or registration for future semesters.

Faculty Member Absent from Class
In the event that a faculty member is not present at the normal time a class is scheduled to begin, and students have not been previously notified, students are to wait in the class for a minimum of 15 minutes. At the end of that time, if the faculty member has not arrived and no special instructions have been received, students are permitted to leave without penalty.

Guidelines for Student Academic Success
A college education, like all learning, should be a challenging and rewarding experience. Learning changes us, enhances our understanding of the world, forces us to make choices and take risks, and provides lifelong benefits.

Your academic attitude will make the difference. You share responsibility, along with your professors, for your education. These responsibilities include behaving courteously and respectfully toward your professors and your classmates and becoming self-disciplined in your learning. For a successful college experience you will need to:

• Attend all your classes
• Come to class fully prepared and ready to participate
• Meet the requirements established by the professor; listen, question and respond in class
General Information

- Allocate adequate study time - two to three hours of study for every hour spent in class
- Avoid last-minute cramming
- Create a weekly study schedule and study every day
- Make academic responsibilities a priority in your daily life

The faculty at Suffolk County Community College are dedicated to helping you learn. The College is designed to offer you opportunities to further your educational goals. Recognizing that abilities and experience vary, the College provides a wide range of supportive services to help you achieve your goals.

In the final analysis, however, you must earn your grades through hard work, self-discipline and a personal commitment to learning. The rewards will be lifelong learning skills, self-confidence, and the ability to achieve your personal goals.

Student Success Tips

1. PURPOSE: Form a strong, clear mental image of who you want to be.
2. FLEXIBILITY: Explore many worthwhile routes to your goal.
3. OPENNESS: Keep an open mind since your college education will introduce you to many new ideas, experiences and groups.
4. EXCELLENCE: Commit yourself to excellence.
5. SELF-CONFIDENCE: Believe in your ability to succeed and seek out peers and mentors who will reinforce this.

7. SELF-EVALUATION: Be conscious of your strengths and weaknesses. Seek help before you need it.
8. TIME: Use your time wisely.
9. PERFORMANCE: Bear in mind that your college education constitutes a monetary investment in you by various groups in our society and government, as well as by yourself. A great deal will be expected of you.
10. PRIORITIES AND FOCUS: Prioritize commitments and stick to planned goals. See yourself continually moving forward, especially during difficult times.
11. WELLNESS: Respect, prize and take care of your body. It is one of your most important assets.

Guidelines for Classroom Decorum

An effective learning environment is essential to your success as a college student. Therefore, students in class will be expected to:

1. Arrive on time and be prepared for class to begin promptly at the scheduled hour. Lateness interrupts the intent and structure of the class presentation.
2. Take care of personal needs before or after class or during any class break. Leaving in the middle of class, unless there is an emergency, creates another disruption, no matter how discreet.
3. Turn off all audible sounds from electronic devices and/or cell phones.
4. Show respect for your classmates as well as your instructor by listening attentively, participating actively, and refraining from side conversations or other disruptions.
5. Use appropriate language when addressing classmates and the instructor during the class session.
6. Consult privately with the instructor when extenuating circumstances require special arrangements.
7. Students whose behavior in class is considered disruptive may be subject to disciplinary action described in the Student Code of Conduct.

Honor Designations

Dean’s List. A student’s outstanding scholastic achievement at Suffolk County Community College is recognized each semester by his or her inclusion on the Dean’s List. Students whose semester grade point average is 3.5 or higher, with no incompletes, who have completed a minimum of 12 credit hours during the semester qualify for the Dean’s List. This academic achievement is noted on the student’s permanent record.

NOTE: Developmental courses do not qualify because they do not carry college-level credit.

Pi Alpha Sigma is a College honors designation. Each semester, students who have achieved a 3.5 cumulative grade point average, who have no incomplete grades, and who have completed at least 36 credits at Suffolk County Community College receive this designation. This academic designation is also noted on the student’s permanent record.

Information Technology

Suffolk County Community College students are provided access to various information technology resources. Among these are computers in departments and general use labs, the MySCCC portal, Mobile App, e-mail accounts, and Internet connectivity both from on-campus facilities and available via the College general purpose wireless network.

To provide these services, resources must be effectively and equitably managed. The following sections identify utilization responsibilities, account eligibility, and activation procedures.

Student Technology Responsibilities

The College uses e-mail and announcements sent to a student’s MySCCC portal account as one of the methods to provide official notices and communications to students. The College expects students to regularly access and maintain their portal and e-mail account. Students are responsible for the information displayed in the portal and/or sent to their e-mail account.

A student’s use of technology resources is governed by the College Information Technology Policies and Guidelines. In addition, the Student Code of Conduct identifies certain prohibited behaviors and requires compliance with this policy. In general, the policy requires individuals to respect the rights of others, avoid activities that burden system resources and protect the integrity of the software and equipment. The policy includes provisions on privacy, utilization monitoring and sanctions for violations.

The full text of this policy can be obtained at the Associate Dean of Student Affairs Office or accessed on the College Website. All technology users are responsible for knowing the College policies and adhering to the guidelines and restrictions contained in them.

Web-based Services and Internet Access Eligibility

The MySCCC portal, Mobile App, e-mail, on-campus Internet access and access to the wireless network are available to Suffolk County Community College students taking credit classes. Internet access is available from designated computers at the College and via the College wireless network.

Online Account Procedures

Portal and e-mail accounts are self-activated by students. Access and expiration time frames vary dependent upon a student’s enrollment status. For specific information on account policies and procedures,
General Information

see the MySCCC FAQs at the footer of the College Website. Upon expiration of a student’s account, material left in an account will be deleted. Portal account credentials are also used to log in to student computers on campus. Use of these computers and the wireless network are subject to the acceptable use parameters listed in the College policy referenced above.

Registration

Priority Registration
Each semester, the College facilitates registration by continuing students for the following semester during the Priority Registration period. All students are assigned a day to register according to the number of credits completed in their degree program. Students should plan to register on their assigned day in order to get the best selection of courses at the best possible times. They should also plan to meet with their faculty advisor, a faculty member in their department, or a counselor prior to their registration date for advice on course selection and degree completion. Registration may also be accomplished online through the portal.

Web Registration
Previously enrolled students and new students who have already registered, can register and pay their tuition online through the MYSCCC. Students in the developmental program and students on academic probation are required to obtain a signature from a faculty advisor prior to registration. All students are encouraged to meet with a faculty advisor prior to registering.

Religious Observance
As provided for in New York State Education Law § 224-a, student absences from class necessitated by religious observance will be deemed an excused absence, with no academic consequences. Students must notify their professor in advance of their religious observance, via their College email accounts or otherwise in writing, of their intention to be absent from a particular class due to a religious observance; notification should occur at least one week prior to the religious observance. While not exhaustive, this list of holidays will provide notice to the faculty of the religious observance dates of many faiths practiced by our students. Observing students shall be granted reasonable arrangements and/or be permitted a reasonable amount of time to make up missed quizzes, tests, assignments, and activities covered in their absence. Please refer to the College Religious Observance Policy and Procedures for additional information. Religious Observance FAQs are also available on the Academic Calendar webpage.

Student Identification Cards
All students are required to obtain and carry a College photo identification card. The ID card is needed to access library and computer center services, and for use with the College meal plan. It must be presented in various College offices in order to receive services. Schedule and locations of ID card stations can be found on the College Website. Replacement cards are available for a cost of $12. Once the semester begins, registered students without a Suffolk County Community College ID card will be billed a $25 card non-compliance fee and will be denied services until the card is obtained.

Photographs for ID cards are taken in the following locations:
- **Ammerman** Registrar’s Office; Campus Activities, Public Safety
- **Eastern** Peconic Building, Public Safety Office 119
- **Michael J. Grant** North Cottage, Public Safety

The PDF transcript that is produced using this service contains the identical information as the printed transcript and can be certified as unaltered by uploading the file to the company’s website that is provided during the delivery process. Credentials Inc. has been granted the authority to deliver all such electronic transcript requests on behalf of Suffolk County Community College and respond to any inquiries regarding the transactions.

For the most expedient service, order your SCCC transcript online through Credentials Inc. Transcripts Plus.

Note: Transcripts will not be released if you have any outstanding financial obligations to the college or if any restrictive holds have been placed on your student records.

Tuition and Fees
Suffolk County Community College operating costs are funded by tuition and fees paid by students, state aid provided by New York State and funding appropriated by Suffolk County.

The College charges full-time tuition to students who take 12-18 credits per semester. Students who take fewer than 12 credits or more than 18 credits are charged on a per credit basis.

The College has two tuition rates: resident tuition, charged to Suffolk County residents and non-resident tuition, charged to all non-Suffolk County residents. Non-resident tuition is currently double the resident tuition rate. To qualify for resident tuition, a student must have legal domicile of one year in New York State and six months in Suffolk County. The legal residency of unmarried students under the age 21 is that of their parents. Suffolk County permanent residents with valid Permanent Resident Cards (“green cards”) are charged resident tuition as long as they meet the residency requirements indicated above.

New York State residents who live in other counties may be eligible for the resident tuition rate. To qualify, they must submit a Certificate of Residence from their home county prior to registration. Applications are available at the College business office and also on the College student portal. Students must file their applications with their home county’s Chief Financial Officer/Treasurer no more than two months before the start date of the semester (no later than 30 days after the start of classes for some counties). A Certificate of Residence is valid for no more than one year and must be renewed every year. The Certificate of Residence must be returned to the College in person or by mail to any campus business/cashier’s office, or to the...
General Information

College Office of Business and Financial Services (Room 232, NFL Building, Ammerman Campus, 533 College Road, Selden, NY 11784) or by fax to (631) 451-4444.

Non-Suffolk residents who do not comply with the Certificate of Residence requirement and non-Suffolk residents in the United States on a student visa who are ineligible for the Certificate of Residence are responsible for the full non-resident tuition.

For terms that begin after July 1, 2017, under the GI Bill, a veteran who enrolls at the College within three years of discharge from a period of active duty service of 90 days or more will pay resident tuition. There are no longer any residency requirements, or non-resident tuition charges for veterans or their eligible dependents using the covered GI Bill programs.

NOTE: The tuition deposit, which is applied to the payment of tuition, is nonrefundable. An unused tuition deposit may be applied to the payment of tuition for a one-year period which will include the semester for which the tuition deposit was made. Payment of full-time tuition permits a student to register for 12-18 credit hours of course work in a semester. Special permission must be obtained from Academic Affairs in order to register for more than 18 credits in any semester. Each request is evaluated on the basis of its merit, including the student’s prior academic records, and his/her commitments other than college. Tuition for the summer, wintersession, and other special sessions is based on the part-time tuition rate of $228.00 per credit for Suffolk residents and $456.00 per credit for non-residents. Other fees are applicable to the sessions as appropriate. The level of tuition rates for non-credit courses is, in general, similar for-credit course charges.

The following schedule of tuition and fees for Suffolk County Community College is in effect through the summer of 2021 and applies to all campuses and extension sites of the College.

Tuition and fees must be paid according to established payment dates and at the time of registration when daily descheduling is in effect. In the event a course is canceled, tuition and fees for that course are refunded in full. Tuition is refundable according to the College refund schedule.

All tuition, fees and related refund policies are subject to change at the discretion of the College. The following tuition and fees are in effect for the 2020-2021 academic year:

SUNY Transfer Paths

The State University of New York (SUNY) has implemented the Seamless Transfer Initiative to assist students, who have obtained an A.A. or A.S. degree at Suffolk County Community College, to transfer to a SUNY four-year institution with junior status.

Seamless transfer is achieved by completing 7 of the 10 SUNY General Education Requirements and passing the required Transfer Path courses within the intended major with a minimum of a “C.”

Transfer Paths include lower division course requirements that are common to all SUNY campuses with the similar major. Transfer Paths exist for many degrees at Suffolk County Community College. Review a list of the existing Transfer Paths to determine the courses that should be completed before transferring to the SUNY four-year institution.
Accommodations for Pregnant and Parenting Students

Suffolk County Community College is committed to creating an accessible and inclusive environment for pregnant and parenting students. Title IX of the Education Amendments of 1972 prohibits discrimination based on sex in education programs or activities including academic, educational, extracurricular, athletic, and other programs or activities of schools. This prohibition includes discrimination against pregnant and parenting students. - Excusing absences due to pregnancy or related conditions
- Submitting work after a deadline missed due to pregnancy or childbirth
- Providing alternatives to make up missed work
- Allowing excused absences for parenting students (both male and female) who need to take their children to doctors’ appointments or to take care of their sick children

Add/Drop Period
Students with a current class schedule are not charged a late fee to modify their existing schedules during the add/drop period. Some course offerings will not permit enrollment after the first class meeting.
The College Chief Academic Officer or designee will determine on a college-wide basis which courses will not admit students after the first class meeting based upon recommendations made by the Campus Executive Deans. Otherwise, students are permitted to add a class up until the start of a class’s second week (e.g. prior to the third session of a class that meets twice a week and the second session of a class that meets once a week). Exceptions to this policy may only be approved by the College Chief Academic Officer or designee.

Any student who enters a class after the first meeting, regardless of reason, is accountable for all course requirements including assignments and attendance. A student may drop a course during the first three weeks of the semester during the official refund period. These courses will not appear on a student’s official transcript.

**Alcoholic Beverages**
The consumption, possession or distribution of alcoholic beverages either on College property or at College-sponsored events is prohibited, except as authorized by the President or his/her designee. Students found in violation of this policy may be subject to the Student Code of Conduct Process.

**Anti-Bullying**
Bullying can foster a climate of fear and disrespect which seriously impairs the physical and psychological health of its victims and creates conditions that negatively affect learning and working environments. Suffolk County Community College is committed to maintaining high standards for behavior where every member of the college community conducts himself/herself in a manner which demonstrates proper regard for
the rights and welfare of others. The College Anti-Bullying Policy seeks to educate the college community about bullying, and to promote civility and respect among all its members, including the College trustees, administration, faculty, staff, students, contractors, consultants and vendors. The policy includes definitions and the procedures for reporting bullying.

**Applying and Being Admitted**

**Eligibility**
The College believes that liberal admission requirements are an essential part of its philosophy and, in that context, has maintained a Full Opportunity Program of admission for many years. Full Opportunity means that the College offers acceptance in an appropriate program to all applicants residing in Suffolk County who have graduated from an approved high school or hold the New York State High School Equivalency Diploma (or equivalent). Applicants over the age of 18 who do not meet these requirements should contact one of the campus admissions offices for alternate admission procedures under the Ability to Benefit (ATB) program. These procedures include the testing of the applicant and counselor review of all testing data and academic credentials prior to the admission process. Testing cut-off scores are utilized for admission purposes.

Students who wish to transfer to Suffolk County Community College from another college are accepted if they have left their previous institution in good academic standing. See section below for information regarding advanced standing credit. Some programs of study have special admission procedures and entrance requirements. Admission into these programs is based on factors such as completion of required prerequisites, grade point average, high school record, work experience and objective test data. For programs of study with competitive admission requirements, preference may be given to students who complete their prerequisite course work at Suffolk County Community College. In addition, Suffolk County residents will be given preference over residents of other New York State counties for admission into competitive programs in those cases where the program is available in the student’s county of residence. Furthermore, applicants from outside New York State, including those from outside the United States, will be considered for admission to competitive/restricted programs only after the admission of all qualified Suffolk County and New York State applicants.

**International Students**
Admission of international students requires the issuance of a SEVIS I-20 to qualify for F-1 non-immigrant student status in the United States. Information regarding Suffolk’s international admissions application process and deadlines is available online.

International students outside of the United States may have their Suffolk County resident sponsor request a meeting with the International Counselor. International students are encouraged to file applications at least three months before the start of classes for both the fall and spring semesters.

**Submitting Applications**
Applicants for admission with matriculated status in a degree program should submit a completed application to:

- Central Admissions Office
- Suffolk County Community College
- 533 College Road
- Selden, New York 11784-2899

Applications are available at all Suffolk County high schools as well as the Admissions Offices at Suffolk’s three campuses in Selden, Riverhead and Brentwood, or apply online. In addition, applicants should arrange to have official copies of their final official high school transcripts, along with official transcripts from any previous colleges attended, sent to the Central Admissions Office. Results of the ACT and SAT, if available, should also be forwarded to the Central Admissions Office.
Application Deadlines
The application deadline for new students is one week prior to the start of classes for both the fall and spring semesters. Nevertheless, applicants are urged to file their application by November 1 for spring admission and April 1 for fall admission in order to assure early consideration of their application and the greatest selection of program and course offerings. In addition, the following programs admit freshmen for the fall semester only and give preference to applications received by January 15:
- Nursing
- Occupational Therapist Assistant
- Physical Therapist Assistant
- Veterinary Science Technology

Transfer students may, on a case by case basis, be accepted for the spring into competitive programs.

Matriculation Status
Matriculated status is granted to every student who is admitted into a degree or certificate program at Suffolk County Community College. Matriculation assures a student that the requirements for a particular program which are in effect at the time of matriculation will remain in effect until that student graduates.

Matriculated students may attend classes on a part-time (1-11.5 credits per semester) or full-time (12 or more credits per semester) basis and may schedule their classes during the days, evenings, weekends, or online on any of the three campuses. To be eligible for financial aid, students must be matriculated and taking courses required for or applicable to their current degree program.

Loss of matriculation occurs if the student:
- applied and was accepted to the College, but never attended.
- was matriculated in a program with limited seat availability (e.g., Automotive Service Specialist, Automotive Business, Automotive Maintenance and Light Repair, Emergency Medical Technician: Paramedic, Nursing, Occupational Therapy Assistant, Physical Therapist Assistant, Practical Nursing, Toyota T-TEN Automotive Service, and Veterinary Science Technology) and did not attend during the semester of acceptance (excluding wintersession and summer session).
- did not enroll in credit-bearing courses at the College for two or more consecutive semesters (excluding wintersession and summer session).
- was academically dismissed or if the student’s matriculation status was rescinded for academic reasons.
- graduated from Suffolk and is not subsequently pursuing an additional degree or certificate.

Non-Matriculated Status
Non-matriculated status is assigned to any student who wishes to take classes at Suffolk County Community College but who has not been admitted into a degree or certificate program or for a student who has lost matriculation status. Non-matriculated students can register for 1 through 11.5 credits per semester and are not eligible for financial aid.

Non-matriculated students in good academic standing must apply for admission or readmission to continue in a program and are required to follow the curriculum requirements for the term of application. Students who have previously attended Suffolk, but are not in good academic standing, must see a Campus Associate Dean of Academic Affairs for evaluation of readmitting into a program.

Bias Crimes Prevention
It is a Suffolk County Community College policy to protect all members of the college community by preventing and prosecuting bias or hate crimes that occur within the College jurisdiction.

Hate crimes, also called bias crimes or bias-related crimes, are criminal activity motivated by the perpetrator’s bias or attitude against an individual victim or group based on perceived or actual personal
characteristics, such as their race, religion, ethnicity, gender, sexual orientation, or disability. These crimes are covered under the federal Hate/Bias Crime Reporting Act of 1990 and the New York State Hate Crimes Act of 2000 (Penal Law Article 485).

Penalties for bias-related crimes are very serious and can range from fines to imprisonment. Perpetrators who are students will also be subject to the student conduct process where sanctions including suspension and/or expulsion are possible.

Suffolk County Community College is also committed to addressing bias-related activities that do not rise to the level of a crime. Bias-related incidents are defined as acts of bigotry, harassment, or intimidation directed at a member or group within the college community based on race, color, national origin, religion, creed, age, disability, sex, gender identity, sexual orientation, familial status, pregnancy, predisposing genetic characteristics, military status, domestic violence victim status, or criminal conviction. Bias incidents can be reported to Public Safety, and the Campus Associate Dean of Student Affairs.

If you are a victim of, or witness to, a hate/bias crime on campus, report it to Public Safety, use an emergency phone, or contact the Campus Associate Dean of Student Affairs.

Victims of a bias crime or bias incidents can avail themselves of counseling and support services from the campus Counseling Center. In an emergency, contact Public Safety to make a report 24 hours a day/7 days a week by calling (631) 451-4242 or dialing 311 from any College phone.

For information about bias-related crimes, including up-to-date statistics, can be found in the Annual Security Report or from the College Director of Public and Fire Safety.

**Chosen Name Policy**

The College seeks to create an environment respectful of personal and social expression in the spirit of representing our diverse community. Students may wish to be accurately represented and identified by a first name that differs from their legal name because this is an important part of their identity and expression. The College values and supports students’ decisions to wish to be addressed by their chosen first name. In June 2019, the College Board of Trustees adopted a Chosen Name Policy, which provides students an option to identify their chosen name as their preferred first name. Unless the use of the individual’s legal name is required, the chosen name will be utilized when reasonably possible, including in the following areas: Blackboard, College email, degree audit, identification cards, student roster, and locations within MySCCC where one’s name appears, as technology becomes available to support chosen names. Contact the Registrar’s office to identify and use your chosen name.

**Classroom Disruption**

Disruptive Behavior: Substantial disruption of College operations, including obstruction of teaching, administration, other College activities, and/or other authorized non-College activities which occur on campus.

In general, classroom disruption generally refers to behavior a reasonable person would view as substantially or repeatedly interfering with the conduct of a class.

**Common Disruptive Behaviors**

Classroom disruptive behaviors may include:

1. students who routinely enter class late or depart early or repeatedly talk in class without being called upon;
2. students who continually ask the professor questions with the intent to interrupt lectures and gain attention to themselves;
3. students whose cell phones repeatedly ring and/or emit an audible sound during class or students who repeatedly text during class;
4. students who intimidate or harass the professor;
5. students who threaten a professor, participate in a physical display of anger, or verbally abuse a faculty member.

Faculty Rights
Suffolk County Community College respects the rights of faculty to teach and students to learn. To ensure these rights, faculty members have the prerogative:

1. to establish and implement academic standards;
2. to establish and enforce reasonable behavior standards in each class;
3. to remove a student from a class for one class meeting, and, in those cases where the continued presence of the student poses a substantial threat or would be disruptive to the class, request that the Associate Dean of Student Affairs impose an interim suspension pending a disciplinary hearing.

College Procedures for Classroom Disruptions
A faculty member may bring charges of misconduct against a student for disruptive behavior. College policy dictates that allegations of student misconduct will be adjudicated through the use of the Student Code of Conduct. Please refer to the Student Code of Conduct and Student Conduct Process for a comprehensive description of policies and procedures related to student behavioral issues.

For a complete copy of the Classroom Disruption brochure and to answer any questions, contact the Office of the Associate Dean of Student Affairs or the Office of the Campus Executive Dean.

Course Grade Grievance Procedure
A Course Grade Grievance Procedure is available to resolve student grade grievances regarding a grade recorded on the transcript. This procedure shall apply when a student believes that there has been a violation of a specific policy or procedure as stated in the college catalog or course syllabus which adversely affects the student’s final grade.

To begin this procedure, the student must obtain a Course Grade Grievance Form.

Procedure

First
The student should first discuss the grievance with the faculty member involved in an attempt to resolve the grievance within the first three (3) weeks of the following semester.

Second
If the student and faculty member cannot reach an agreement regarding the grievance, the student must then meet with Academic chair of the particular department before the end of the fifth week of the semester in which they are grieving the grade. The Academic Chair will examine the basis for the grievance, discuss it with the faculty member and the student, and make a recommendation within ten (10) calendar days of meeting with the student and faculty member.

If the department chair is the party against whom the grievance is brought, the student should move to the third step of the procedure.

Third
If no agreement is reached at the second stage, the student must present his or her case in writing to the appropriate Associate Dean of Academic Affairs within seven (7) calendar days of receiving the recommendation from the Academic Chair.
The student’s written grievance statement should include:

- A completed copy of the Course Grade Grievance Form.
- The name of the faculty member and the course number.
- A copy of the course syllabus.
- A description of the alleged action(s) that led to the grievance.
- Any supporting documentation related to the grievance.
- A statement of a desired outcome by the student.
- The grievance has to be dated and include the student’s signature along with the student’s identification number.

Within ten (10) business days of receiving the written formal grievance, the Office of the Associate Dean of Academic Affairs will contact the student to schedule a meeting with the student to discuss the grievance. Within ten (10) calendar days of meeting with the student, the Associate Dean will schedule a meeting with the Academic Chair and the faculty member to discuss the grievance.

The recommendation of the Associate Dean will be given to the student, faculty member, and academic chair within ten (10) calendar days of the meeting between the faculty member, the Academic Chair and the Associate Dean.

Fourth
If the student, the faculty member, the academic chair and the associate dean are unable to resolve the grievance in stage three, the student may present his or her case to the Executive Dean. This shall be done in writing within seven (7) calendar days of receiving the recommendation of the Associate Dean of Academic Affairs. The student’s written request must include a copy of the Course Grade Grievance Form, a copy of their written grievance from stage three, as well the recommendations of the Academic Chair and the Associate Dean; and reasons why the student is dissatisfied.

Within ten (10) calendar days of the receipt of the student’s written request, the Executive Dean may convene a committee to hear the grievance. The Grade Grievance Committee will be composed of two faculty members (one chosen by the Executive Dean and one chosen by the Associate Dean of Student Affairs), of whom at least one must be outside the faculty member’s discipline, and one student who shall be selected by the Associate Dean of Student Affairs. The Grade Grievance Committee will choose a Chair, and the Chair will notify the student and the faculty member of any additional documents required. After receiving any additional documents, the Chair of the Grade Grievance Committee will notify the faculty member and the student of the hearing date. Within ten (10) calendar days of the hearing, the Grade Grievance Committee will send its written recommendations to the student, the faculty member, the Academic Chair, the Associate Dean of Academic Affairs and the Executive Dean.

Please note that the recommendations of the Academic Chair, the Associate Dean of Academic Affairs and the Grade Grievance Committee are only advisory since the ultimate responsibility for awarding the grade is the instructor.

A written record of the grievance process shall be kept on file in the Office of the Executive Dean for a period of six (6) years. All documents submitted concerning the grievance and all deliberations of the Grade Grievance Committee will remain confidential.

DEADLINES
For a grade received during the Fall semester or Winter Intersession, the “following semester” is considered the following Spring semester. For a grade received during the Spring semester or Summer sessions, the “following semester” is considered the following Fall semester.

Failure by the student to adhere to the procedural deadlines will result in a withdrawal of the grievance.
CIVIL RIGHT VIOLATIONS
It is not the function of the Grade Grievance procedure to evaluate claims of civil rights violations. If the basis of a student’s grade grievance is that their civil rights have been violated, such as sexual harassment or discrimination, then contact the Office of Legal Affairs.

INSTRUCTOR ABSENCE
In situations where the grieved instructor of record is unavailable, then contact the Academic Chair of the particular department.

Deferred Action for Childhood Arrivals (DACA), Temporary Protective Status (TPS)
Resources and policies pertaining to students with DACA, TPS or undocumented status are located on the College website.

If you think that you have been subjected to discrimination under a WIOA Title I-financially assisted program or activity, you may file a complaint within 180 days from the date of the alleged violation with either: Suffolk County Community College Civil Rights Compliance Officers listed above or with: The Director, Civil Rights Center (CRC), U.S. Department of Labor, 200 Constitution Avenue NW., Room N-4123, Washington, DC 20210 or electronically as directed on the CRC website.

If you file your complaint with Suffolk County Community College, you must wait either until the college issues a written Notice of Final Action, or until 90 days have passed (whichever is sooner), before filing with the Civil Rights Center (see address above).

If the college does not give you a written Notice of Final Action within 90 days of the day on which you filed your complaint, you may file a complaint with CRC before receiving that Notice. However, you must file your CRC complaint within 30 days of the 90-day deadline (in other words, within 120 days after the day on which you filed your complaint with the college).

If the college does give you a written Notice of Final Action on your complaint, but you are dissatisfied with the decision or resolution, you may file a complaint with CRC. You must file your CRC complaint within 30 days of the date on which you received the Notice of Final Action.

E-mail and Portal Official Policy for Students

Suffolk County Community College official Web-based student portal (MySCCC) and student email accounts are an official means of communication to all students enrolled in credit-bearing classes. All such students are required to activate their MySCCC portal and email accounts. Official College communications may include, but are not limited to, registration information, financial aid information and other financial statements, student health compliance information and academic progress notifications.

The College expects that students shall receive and read their electronic communications on a frequent and timely basis. Failure to do so shall not absolve the student from knowing of and complying with the contents of all electronic communications, some of which will be time-critical.

Students may choose to redirect their email. However, the College is not responsible for the handling of e-mail by outside vendors, nor can it provide technical support for setting up mail-forwarding configurations or use of external mail readers. If e-mail is lost as a result of forwarding, students are not absolved from the responsibilities associated with communications sent to their official College e-mail address.

Grading System

Semester grades are available to students on the student portal (MySCCCC) at the close of each semester. The instructor’s analysis of each student’s academic achievement will be in accordance with the following grading system:

- **A** 90%-100%
- **B+** 85%-89%
- **B** 80%-84%
- **C+** 75%-79%
- **C** 70%-74%
- **D+** 65%-69%
- **D** 60%-64%
- **F** 59% or below

Students receiving grades of U/UN/R/INC/F/FN or a W (withdrawal) may affect a student’s academic progress and can result in a student being placed on probation, dismissal, and/or losing financial aid. Students will be deregistered from courses where a prerequisite was not successfully completed due to a U/UN/R/INC/F/FN/W, or other grade as required by the course.

**FN = FAILURE DUE TO ATTENDANCE**

The FN grade is given at the discretion of faculty and indicates a failing grade due to lack of attendance. The FN is equivalent to an F in grade point average computations.
**INC = INCOMPLETE**
Students who are ill or are unable for other valid reasons to complete the semester’s work may at the discretion of the instructor receive an INC on their transcript. All work must be completed within the first four weeks of the subsequent semester; otherwise the INC will automatically become an F or will become a U for students in a remedial course.

**S = SATISFACTORY**
This grade is given only for developmental courses, which do not satisfy degree requirements: RDG096, RDG098, RDG099, ENG009, ENG010, ENG011, ENG012, ESL011, ESL012, ESL013, ESL014, ESL015, ESL016, ESL017, ESL018, MAT001 and MAT001L. The S grade indicates successful completion of the course, but is not used in grade point average computation.

**U = UNSATISFACTORY**
This grade is given only for developmental courses, which do not satisfy degree requirements: MAT001, MAT001L, MAT006, MAT007, MAT007L, MAT009, RDG096, RDG098, RDG099, ENG009, ENG010, ENG011, ENG012, ESL011, ESL012, ESL013, ESL014, ESL015, ESL016, ESL017, and ESL018. The U grade indicates the course was not successfully completed and is not used in grade point average computations.

**UN = UNSATISFACTORY DUE TO ATTENDANCE**
This grade is given only for developmental courses, which do not satisfy degree requirements: MAT001, MAT001L, MAT006, MAT007, MAT007L, MAT009, RDG096, RDG098, RDG099, ENG009, ENG010, ENG011, ENG012, ESL011, ESL012, ESL013, ESL014, ESL015, ESL016, ESL017, and ESL018. The UN grade is given at the discretion of faculty and indicates an unsatisfactory grade due to lack of attendance for a developmental course. The UN grade indicates the course was not successfully completed and is not used in grade point average computations.

**R = REPEAT**
This grade is given only for developmental courses, which do not satisfy degree requirements: MAT001, MAT001L, MAT006, MAT007, MAT007L, MAT009, RDG096, RDG098, RDG099, ENG009, ENG010, ENG011, ENG012, ESL011, ESL012, ESL013, ESL014, ESL015, ESL016, ESL017, and ESL018. The R grade indicates the need for a student to re-register for the same course in a subsequent semester, usually because the student, while making progress in that course, has not yet completed all the course requirements. The R grade is not used in grade point average computations.

**W = WITHDRAWAL**
A student may withdraw from a course and receive a W any time up to the withdrawal deadline, which occurs at the end of two-thirds of the semester. After the withdrawal deadline, a student may request to withdraw from a class only at the discretion of the instructor. The W is not considered a grade and is not used in grade point average computations.

**AUD = AUDIT**
To audit a course, a student must notify the Campus Registrar while registering and paying for that course in accord with normal registration procedures. When a student audits a course, a grade of “AUD” will be recorded and no academic credit will be given. An auditor, by definition, is not required to take tests, write term papers or submit homework assignments, but is expected to participate in class to the extent deemed reasonable and necessary by the instructor. A student must inform the instructor at the first class meeting of his or her intention to take the course on an audit basis. Once this intention is stated, the student may not change from audit to credit status. Because some courses may be inappropriate for auditing, students should consult with the appropriate academic administrator before registering.
NOTE: Audited courses are not eligible for financial aid. Seniors: Suffolk County residents 60 years of age or older pay fees, but no tuition.

Academic Standing
Students are considered to be in good academic standing unless they have been dismissed from full-time status or their matriculation status has been rescinded.

Grade Point Averages
A system of points is used to assess the quality of each student’s work for a semester or more and is computed as a cumulative grade point average. Grades earned by students have a numerical quality value as follows:

<table>
<thead>
<tr>
<th>Grade</th>
<th>Quality Points Per Credit Hour</th>
</tr>
</thead>
<tbody>
<tr>
<td>A</td>
<td>4.0</td>
</tr>
<tr>
<td>B+</td>
<td>3.5</td>
</tr>
<tr>
<td>B</td>
<td>3.0</td>
</tr>
<tr>
<td>C+</td>
<td>2.5</td>
</tr>
<tr>
<td>C</td>
<td>2.0</td>
</tr>
<tr>
<td>D+</td>
<td>1.5</td>
</tr>
<tr>
<td>D</td>
<td>1.0</td>
</tr>
<tr>
<td>F</td>
<td>0</td>
</tr>
</tbody>
</table>

A cumulative grade point average is computed by dividing the total number of quality points received by the number of credit hours earned. For example, a student who has earned 30 credit hours and has received a total of 60 quality points has a cumulative grade point average of 2.0. The following factors must also be taken into consideration:

a. When transfer credits are granted for courses completed at another college, no quality points or grades are awarded; hence, such credits do not affect the cumulative grade point average at SCCC.

b. A course may be repeated one time. When a course is repeated, the cumulative grade point average is computed using only the second course and credit hours received by the student for that course; the previous grade and credit hours are retained on the transcript but are not computed.

Withdrawal Policy
A student may withdraw from a course and receive a W any time between the end of the drop-course period and the withdrawal deadline, which occurs at the end of two-thirds of the semester. After this date, a student may request a withdrawal using a Course Withdrawal form, but is required to obtain the signature of the instructor.

Official withdrawal from the College means that a student voluntarily separates himself or herself from the College by withdrawing from all courses at any time during the academic term. Withdrawal Forms are submitted to any Campus Registrar’s Office.

If a student drops a course or courses prior to the end of the drop-course period, the student’s academic record will not reflect these courses. If a student officially withdraws from the College after the drop-course period ends but before the withdrawal date specified in the academic calendar, the student’s academic record will show all courses for which he or she registered along with a [Delete: grade of] W notation for each course. The official withdrawal will be noted on the student’s academic record. In addition, withdrawal from a course is considered a non-successful course attempt for purposes of financial aid satisfactory progress requirements. Excessive withdrawals may result in academic probation or academic dismissal.
Late Registration
Late registration (for students without a current schedule) includes a late registration fee and begins one week prior to the official start of each session (day, evening, Saturday/Sunday) and continues through the first week of classes. Late registration for a course is only permitted up until the course is scheduled to hold its first class meeting. Exceptions to this policy may only be approved by the College Chief Academic Officer or designee.

Medical Leaves
Policies and Procedures
A Medical Leave may be granted, upon request, to any matriculated student who is unable to attend classes for an extended period of time due to a documented illness, injury, or medical or psychological condition. Under the aforementioned circumstances, a Medical Leave may be granted to a student who is forced to withdraw during a semester as well as to a student who is unable to enroll in a subsequent semester. To request a Medical Leave, students should follow the procedure outlined below.

1. Request a Medical Leave, in writing, from the Campus Associate Dean of Student Affairs. The request must indicate the medical reason and the period of the leave. Documentation by a physician or other appropriate health care provider is required.
2. In the event that a student is incapable of requesting a leave him/herself, the request may be submitted by a parent, spouse, or other appropriate individual. In such cases, documentation of the student’s incapacity must be provided by the appropriate health care provider.
3. The Campus Associate Dean of Student Affairs shall have the final authority to determine whether the request for a Medical Leave is granted. All such determinations shall be made in writing.
4. In the event that a Medical Leave is granted, the Associate Dean shall:
   a. complete the class withdrawal process for the student (i.e., if initiated and not previously completed); and
   b. authorize a leave of absence for the student from the Admissions Office (i.e., if the student is enrolled in a restricted curriculum with limited seat availability). Such a leave maintains the date of matriculation and, if a seat is available, gives the student preference for readmission into the program ahead of any new student.
5. Note that being granted a Medical Leave during a semester does not mean that a student’s grades or financial aid will not be negatively impacted, nor does it mean that the student will be entitled to a tuition refund. Accordingly, students should be aware that existing policies will be followed in making these determinations. Whenever possible, students are strongly encouraged to determine the consequences of withdrawing during a semester before requesting a Medical Leave.

Medical Suspension
Suffolk County Community College strives to promote the health and safety of all members of the college community by providing services in the areas of student health, counseling, and public safety and by enforcing student conduct regulations. In accordance with law, and in order to ensure that the institution and its members may carry out their proper activities without substantial interference or danger of physical harm, the College has implemented its policy and procedures for the medical suspension of students. A student may be subject to medical suspension if it is determined that the student is suffering from a physical, emotional, or psychological condition, and, as a result of this condition, engages, threatens to engage, or may engage in behavior that:

1. reasonably poses a danger or threat of causing physical harm to others; and/or
2. substantially impedes the lawful activities of other members of the campus community, or the educational processes, activities or functions of the College or its personnel.

The complete Medical Suspension Policy is available on the College Website.
**Posting**

Commercial postings are allowed on public community bulletin boards but are excluded from boards used for official College business purposes. No individual or organization may falsely claim College sponsorship, or portray itself in a way that would reasonably imply College endorsement. If posting in inappropriate locations results in damage to property, restitution will be required of the responsible party. The posting of any information, commercial or non-commercial, is prohibited on walls, doors, glass, hallways, vending machines or kiosks.

**Refund Policy**

All tuition and fee charges are the responsibility of the student. If there are changes to students’ schedules, financial aid awards or third party support after paying the bill, a refund check or a bill will be mailed. The College processes all refunds by check, regardless of how bills were paid. Refunds are issued after the refund period ends. If a student’s account changes and they owe the College additional money, they will be billed.

When a student officially drops a class during the Drop/Refund period, the charge for tuition and fees will be adjusted according to College and SUNY policy. This may or may not result in a refund. Students can officially drop classes online or in person at a campus Registrar’s Office. Please consult the hours of operation of the Registrar’s Office and MySCCC to complete your transaction. Non-attendance in a course, verbal communication with College offices or instructors, stopping payment on a check or disputing a credit card are NOT official ways to drop classes. Students cannot drop a class or receive a refund after the applicable refund period ends.

Refunds reduce charges on the account and are not based on what was paid. They are calculated from the start date of the session, not the start date of the classes that a student is registered for. Certain fees are not refundable. After officially dropping a class(es), the charges on the student account are re-calculated and the College either refunds or bills the student for the applicable amounts.

**Sexual Violence, Sexual Harassment Prevention and Title IX**

Suffolk County Community College prohibits sexual harassment and sex discrimination including sexual violence, domestic violence, dating and intimate partner violence, stalking, sexual coercion or other threats of violence or intimidation. These can be verbal, non-verbal, physical, written or electronic (i.e. text or social media) and may be committed by or against any individual, regardless of gender, sexual orientation or gender identity.

The College is committed to providing options, support and assistance to victims/survivors to ensure
they can continue to participate in college-wide and campus programs, activities and employment. The College has prevention, training and educational programs in place to protect all members of the college community. These include information about how to report, on and off campus resources, rights and responsibilities. Students have rights, regardless of whether the crime or violation occurs on campus, off campus, or while studying abroad. Review the “Student’s Bill of Rights”.

Sexual and Romantic Relationships Policy
The College is committed to providing a learning and working environment for its faculty, staff, and students that is free of discrimination, harassment, exploitation, favoritism, and conflicts of interest. To fulfill this obligation and commitment, it is vital that College employees maintain appropriate professional boundaries with students and with employees over whom there is or will be a supervisory relationship or other imbalance of authority, power or influence. In October 2018, SUNY mandated that each SUNY institution adopt a Sexual and Romantic Relationships Policy that prohibits sexual or romantic relationships between faculty or staff members and students if there is an existing supervisory, evaluative, or instructional relationship, unless the relationship is disclosed and supervision, evaluation, or instruction is terminated in accordance with the policy. The College adopted a Sexual and Romantic Relationships Policy in June 2019 to support all members of the College community in maintaining a learning and working environment that is characterized by professional and ethical conduct. Pursuant to that policy, College employees are prohibited from soliciting, entering into, or engaging in a sexual or romantic relationship with any student:

• Over whom the employee has current supervisory, evaluative, academic, or other professional authority, whether direct or indirect, inclusive of the period during which grade grievances or other appeals may be filed/adjudicated
• Over whom the employee should reasonably expect to have future supervisory, evaluative, academic or other professional authority, whether direct or indirect
• Where the employee works in Athletics or serves as a coach, and the student is a student-athlete or is known by the coach to be seeking to become a student athlete
• Whom the employee advises, counsels, or mentors at the College
• Where the employee works in a student support capacity, such as in Admissions, Counseling, Registrar, Financial Aid, Public Safety, Student Health Services, Campus Activities, Tutoring, Testing, Career Services, Student Affairs, Academic Affairs; and
• Where the employee is otherwise in a capacity to make decisions or recommendations as to the student in connection with the student’s education or opportunities at the College.

Any College employee who has, or has had, a sexual or romantic relationship with a student is prohibited from exercising supervisory, evaluative, academic, or other professional authority over that student. Pre-existing relationships are not prohibited by the policy, but employees are expected to disclose the existence of the relationship to one of the College Civil Rights Compliance Officers, and appropriate mitigating measures must be in place.

Options for reporting sexual violence/sexual harassment
All students have the right to make a report to Public Safety, local law enforcement and/or State Police or choose not to report; to report the incident to the College; to be protected by the College from retaliation for reporting an incident, and to receive assistance from the College. Contact Public Safety at any time by calling (631) 451-4242.

In case of emergency, call 911 to contact local law enforcement.

To contact the New York State Police/Campus Sexual Assault Victims Unit 24-hour hotline call 1-844-845-7269.

If you are a victim of sexual violence, the College has a trained team from Student Affairs, Public Safety, and the Title IX Coordinator and Deputy Coordinators. This team provides information to you about your
Student Codes and College Policies

rights, notifies you about resources, and offers reasonable interim measures, such as a change in schedule, a no-contact order or other actions. Anyone who experiences, observes, or hears about an incident should report it to the Title IX Coordinator at 631-451-4950. The Title IX Coordinator oversees the complaint process, answers questions, and offers assistance and services to anyone experiencing harassment, discrimination or sexual violence. Sexual Harassment, TIX and Discrimination Policies and Procedures apply to students, faculty, staff, visitors and guests.

Mental Health Services coordinators and Student Health Services are privileged and confidential resources that will not report crimes to law enforcement or College officials without your permission, except for extreme circumstances, such as a health and/or safety emergency. Review the College “Sexual Violence Response Policy” and the “Policy for Options for Confidently Disclosing Sexual Violence”.

What to do if you are a victim of sexual assault

- Get to a safe place. For example, someone’s home, the nearest hospital or police precinct.
- Preserve physical evidence. If at all possible, do not bathe, change clothing, throw any clothes away, use the restroom or brush your teeth.
- Call 911 to be taken to an emergency room for medical care and/or for immediate police protection and assistance. Tell the 911 operator what has happened and request to be sent to a Sexual Assault Sexual Assault Forensic Examination (SAFE) center. SAFE services are considered the best and most victim-centered approach to acute health care for sexual assault patients. Within 96 hours of an assault, you can get a Sexual Assault Forensic Examination. You will receive a complete medical evaluation, including a physical examination, treatment, evidence collection, and counseling.
- Talk to someone you trust and seek counseling. The campus Mental Health Coordinators can refer you to an advocate that can discuss your options and refer you to other services. Victims of a sexual assault often feel guilt, anger, fear or grief. Trained professionals will help you deal with the physical and psychological trauma that you have experienced. Medical services are also provided through Student Health Services. All identifying information is confidential.
- Call the police. Sexual Assault is a crime. Suffolk County Community College strongly recommends that all crimes be reported to local law enforcement. Law enforcement personnel can take a formal report at the hospital. It is critical that all information and evidence be obtained as soon as possible. Victims do not need to make the decision to press charges at the time of the report.

Sexual Violence and the Law

New York State Law contains legal provisions defining the crimes related to sexual violence. The College Annual Security Report is updated annually according to federal law and lists important definitions related to these and other crimes. To review them, refer to the Annual Security Report and review Appendix II and III.

There are significant differences between the College disciplinary process and the criminal justice process. A plain language explanation of distinctions between the New York State Penal Law and the College Disciplinary Processes.

Smoke-Tobacco-Vape Free Policy

A Smoke-Tobacco-Vape Free environment is an essential element in creating and maintaining a culture of health and safety at the college. The College is committed to promoting, health, wellness and prevention with its community, as well as providing a healthy learning and working environment for students, administration, faculty, staff, visitors, contractors and vendors.

While the use of a tobacco product (Cigarette, Cigar, Hookah, e-cigarette, Vaping device) is a personal choice research findings show the health hazards related to use of tobacco products and breathing secondhand smoke and third hand smoke are well documented.

The Smoke-Tobacco-Vape Free Policy will:
- Encourage and support students, faculty, staff and visitors to make beneficial health decisions.
- Protect Suffolk students, faculty, staff and visitors from unwanted and involuntary exposure to 2nd hand smoke from any tobacco product;
- Prohibit use of any tobacco and/or any nicotine product everywhere with the parameter of all SCCC
property both indoors and outdoors as well as in College owned vehicles and in any vehicle parked on the college property;
• Provide education support services as well as resources for users who are interested in quitting; We encourage all individuals who use tobacco products (Cigarette, Cigar, Hookah, e-cigarette, Vaping device) to access smoking cessations programs that will be held on the Michael J Grant campus, by the Addiction Studies Prevention Program Coordinator email address: flynnk@sunysuffolk.edu. We invite users to review the Smoke-Tobacco-Vape Free policy and explore the resources available both on and off campus for example the Suffolk County Department of Health Smoking Cessation Program 631-853-3162, and 1-866-NY-Quits. Non-compliance of this policy will subject the person or persons to conduct procedures outlined in the Student Code of Conduct.

Solicitation
The College supports free speech through the distribution of non-commercial literature. However, the College requires registered student organizations to obtain permission from the Office of Campus Activities and Student Leadership Development prior to the distribution of literature. The College will require individuals or sponsoring organizations to restore all affected areas to the original form by removing tape, picking up paper, etc. The advertisement of alcoholic beverages or of establishments engaged in the sale or distribution of alcoholic beverages is prohibited. The distribution of handbills of any nature, commercial, non-commercial or those related to College business, is prohibited in classrooms, laboratories, libraries, instructional spaces, offices, parking lots and dining areas.

Student Code of Conduct
The college community is committed to fostering a campus environment that is conducive to academic inquiry, a productive campus life and thoughtful study and discourse. The student conduct program within the Division of Student Affairs is committed to an educational and developmental process that balances the interests of individual students with the interests of the college community. The Code of Conduct can be reviewed on the College Website.

Student Complaint Resolution Policy
To fully support the success of all students, Suffolk County Community College is committed to resolving complaints brought forth by students. Through the student complaint resolution policy a student can bring their concerns to the attention of college officials through a variety of communication methods.

Students with Felony Convictions
State University of New York (SUNY) policy prohibits Suffolk County Community College admission applications from inquiring into an applicant’s prior criminal history. After acceptance, the College shall inquire if the student previously has been convicted of a felony if such individual seeks participation in clinical or field experiences, internships or study abroad programs. The information required to be disclosed under SUNY policy regarding such felony convictions shall be reviewed by a standing College committee consistent with the legal standards articulated in the New York State Correction Law.

Students who have previously been convicted of a felony are advised that their prior criminal history may impede their ability to complete the requirements of certain academic programs and/or to meet licensure requirements for certain professions, including, but not limited to:
• Sitting for the National Physical Therapy Examination (NPTE) required for certification and employment as a physical therapist assistant in New York State;
• Becoming certified in New York as a physical therapist assistant;
• Sitting for the national certification examination for occupational therapy assistant administered by the National Board for Certification in Occupational Therapy (NBCOT);
• Attaining licensure in New York State as an occupational therapy assistant;
• Taking the licensing examination for licensure as a practical nurse or registered nurse;
• Obtaining New York State licensure as a practical nurse or registered nurse.
• Obtaining certification as a pharmacy technician from the national Pharmacy Technician Certification Board (PTCB);
• Obtaining certification from the American Board of Opticianry and National Contact Lens Examiners (ABO-NCLE); and
• Obtaining certification as an ophthalmic assistant technician or ophthalmic technician from the Joint Commission on Allied Health Personnel in Ophthalmology (JCAHPO).

Students who have concerns about such matters are advised to contact the department chair of their intended academic program. Applicants and students with criminal convictions who are interested in pursuing a program leading to professional licensure or certification are also encouraged to consult with the appropriate licensing/certification authority. Students with criminal convictions who are considering transfer to or subsequent enrollment in a program at another institution that will lead to professional licensure or certification are also encouraged to consult with the appropriate licensing/certification authority.

Student Rights Notification under the Family Educational Rights and Privacy Act:
The Family Educational Rights and Privacy Act (FERPA) affords eligible students certain rights with respect to their education records. (An “eligible student” under FERPA is a student who is 18 years of age or older or who attends a postsecondary institution at any age.) These rights include:
1. The right to inspect and review the student’s education records within 45 days after the day Suffolk County Community College receives a request for access. A student should submit to the Chief Campus Student Affairs Officer on their home campus (the Associate Dean of Student Affairs) a written request that identifies the record(s) the student wishes to inspect. A meeting will be scheduled within a reasonable period of time, at which time the records may be reviewed.
2. The right to request the amendment of the student’s education records that the student believes is inaccurate, misleading, or otherwise in violation of the student’s privacy rights under FERPA. A student who wishes to ask the College to amend a record should first bring this request to the Chief Campus Student Affairs Officer on their home campus (the Associate Dean of Student Affairs), who will discuss the matter with the student and attempt to arrive at a mutually acceptable resolution. If an agreement cannot be reached, the student will be notified of the decision and their right to a hearing. The student may then request a hearing to challenge the contents of the record. Additional information regarding the hearing procedures is outlined in the College Student Records Policy and will be provided to the student when notified of the right to a hearing.
3. The right to provide written consent before the College discloses personally identifiable information (PII) from the student’s education records, except to the extent FERPA authorizes disclosure without consent. The College discloses education records without a student’s prior written consent under the FERPA exception for disclosure to school officials with legitimate educational interests. A school official is a person employed by the College in an administrative, supervisory, academic, research or support staff position; a person retained as a contractor, consultant, volunteer, or other party to whom the College has outsourced services or functions authorized by, or under contract to the College, to perform a special task, such as an attorney or auditor; a person serving on the Board of Trustees; or a student serving in an official capacity, such as membership on a disciplinary or grievance committee. A school official has a legitimate educational interest in reviewing or assessing a student’s education records if the school official is: performing a task that is specified in his/her position description or contract; performing a task directly related to a student’s education; performing a task related to student discipline; providing a service or benefit relating to the
Student Codes and College Policies

student or student’s family; and/or maintaining the safety and security of the campus. Upon request, the
College also discloses education records without consent to officials of another institution in which a student
seeks or intends to enroll.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the
College to comply with the requirements of FERPA. The name and address of the office that administered
FERPA is: Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, SW,
Washington, DC 20202.

College policy explains in detail the procedures used by the College for compliance with FERPA.
Copies of the College Student Records Policy may be found in the following offices: Campus Registrar and
Associate Dean of Student Affairs on the Ammerman, Eastern and Grant campuses, as well as the offices
of the College Registrar, Vice President for Student Affairs, and the Office of Legal Affairs in the Norman F.
Lechtrecker Building on the Ammerman Campus. The Student Records Policy is also posted on the College
website.

Questions concerning FERPA may be referred to the Associate Dean of Student Affairs on each campus
or the College Registrar or the Vice President for Student Affairs in the Norman F. Lechtrecker Building on the
Ammerman Campus.

Directory Information Notice
The Family Educational Rights and Privacy Act (FERPA), a Federal law, requires that Suffolk County
Community College, with certain exceptions, require your written consent prior to the disclosure of personally
identifiable information from your education records. However, the College may disclose appropriately
designated “Directory Information” without written consent if considered appropriate by College officials,
unless you have advised the College to the contrary in accordance with College procedures.

The College hereby designates the following items of student information as public or “Directory
Information.” This does not mean, however, that the College will indiscriminately release such information
about students. Requests for Directory Information on all SCCC students or categories of students will
generally not be honored. The College specifically excludes lists or compilations of data on all students
or categories of students from its designation of Directory Information under FERPA, even if such list or
compilation of data consists only of information which, if related to an individual student, would otherwise
constitute Directory Information. Release will generally be restricted to information on individual students
only, and each request will be considered on an individual basis by the Vice President of Student Affairs, the
College Registrar, the Campus Associate Dean of Student Affairs, or the Office of Legal Affairs.

writing. The College assumes that failure on the part of any student to specifically request the withholding of
“Directory Information” indicates individual approval for disclosure.
