

From major conventions and international sporting events to community-based festivals and conferences, Suffolk County Community College's Office of Special Events provides you with a range of unparalleled, unique environments across Suffolk County to make your event memorable. Through cooperation, coordination and collaboration, we stand ready to enhance your efforts and facilitate every facet of the special-event permitting process. We work closely with our professional staff to execute all necessary agreements and to ensure the safety of everyone who may participate or be present during any event.

We encourage you to explore the following venues to elevate your next event:

Field House (Michael J. Grant Campus - Brentwood)

The Field House within the Health, Sports and Education Center provides 58,000-square-feet of unobstructed, air-conditioned space with ceiling heights over 35 feet. It serves as both a year-round athletic facility and exhibition hall for a wide-range of activities, including trade shows, concerts, expositions, athletic tournaments and conferences. It includes more than 20 break-out rooms with a total capacity of 4,800 people. The Field House also includes a 6-lane, 200-meter track, long jump and pole vault pit, hardwood NJCAA-approved basketball court and volleyball and badminton courts.

The Field House is conveniently located off of the Long Island Expressway, offers ample parking, nearby hotels and was home to the YONEX U.S. Open Badminton Championships.

The Lecture Hall (Brentwood)

The Lecture Hall offers almost 2,500-square-feet of theatre-style seating for 154 attendees. It is fully equipped with audio-visual and multi-mode fiber optics. Internet connection, PowerPoint capabilities, screens, and closed-circuit TV capabilities are just some of the many amenities. This high-tech environment also boasts padded and fabric-covered walls for optimum acoustics and projection. The comfortable seats have retractable book rests which make it perfect for presentations, lecture classes and more.

Sagtikos Theatre (Brentwood)

The Sagtikos Theatre consists of 477 seats, two wheelchair areas, a mezzanine that can be stationed off and utilized in case of overflow, or
